[Mizan, Qanita, Terjemahan, Klasik, Indonesia] Under the all-seeing eyes of the assembled gods, armies are on the move. The Game has begun. And when it ends, the world will end too . . . In *The Unwaba Revelations*, the third and concluding part of the *GameWorld* trilogy, a way must be found to save the world; to defeat the gods at their own game. A daunting prospect under any circumstances, made worse by the fact that the gods, who control all the heroes, are blatantly cheating by following only one rule—that they cannot be defeated by their own creations. As epic battles ravage the earth, Kirin and Maya, guided only by an old, eccentric and extremely unreliable chameleon, and egged on by the usual rag-tag gang, carry out their secret plan; a plan so secret that, in fact, no one involved has any idea what they are doing! Monsters, mayhem, mud-swamps; conspiracies, catastrophes, chimeras; betrayals, buccaneers, bloodshed—*The Unwaba Revelations* continues the roller coaster journey that began with *The Simoqin Prophecies* and gathered momentum with *The Manticore's Secret*. Traversing earth,

sea and sky, realms both infernal and celestial, worlds both imagined and material, this book will draw you irresistibly into a tantalizing, action-packed, epic race to reclaim the flawed, magical world of its heroes. 'A fresh and very original voice' —*Indian Express* Praise for *The Simoqin Prophecies* and *The Manticore's Secret* 'Simoqin is a romp. It is quite simply the most fun book to see in print this year' —*The Times of India* 'Basu sprinkles [*The Manticore's Secret*] with sass and spice, telling the tale from different points of view and in different voices—moving between each with ease and a sense of humour that is infectious' —*DNA* As the oldest vampires in the world, Klaus, Elijah and Rebekah Mikaelson are less than thrilled that they must share New Orleans with the werewolves. Klaus decides to build an army to take them out once and for all. He's turning vampires left and right, with Rebekah by his side. The new vampires are killing any werewolf they can get their hands on, but as Klaus's army becomes more powerful, he becomes increasingly blind to the dangers that threaten Elijah and Rebekah. An epic choice faces the Mikaelsons, as one of them could be taken from the earth forever ... The mighty Sunwell, source of the high elves' magical might, had been thought lost... until now! In the ruins of the Ghostlands, a young blue dragon and his companions must fight to save one of their own from certain death. But here the dead refuse to rest easy! The third book in the *The Night's Dawn* trilogy, *The Naked God* by Peter

F. Hamilton is an epic conclusion to dramatic and compelling series. *The Confederation* is verging on collapse, unable to prevent the enemy from sweeping through the galaxy. And Earth's defences have finally been penetrated, its giant domed cities destroyed one by one. As time runs out for civilisation, those who fight on must join forces and form new alliances - but an enemy's enemy isn't always a friend. The war is desperate on all fronts, with battles fought on a scale unseen by humankind for six centuries. There are rumours that an ancient space-faring race faced this same threat to its existence - surviving with the help of the Sleeping God. If this mysterious and powerful entity truly exists, we may be able to find it. And if it really can avert the ultimate catastrophe, we may at last find hope. Joshua Clavert and Syrinx now fly their starships on a mission to find the Sleeping God - which an alien race believes holds the key to finally overthrowing the possessed. He wants them. When I first met Kevin Markos, we were both drunk college students at Spring Break. It was a week I never expected, and a week I'd never forget. Especially since I took pictures. Unfortunately, life got in the way, careers got in the way...as did Kevin's miles-deep closet. I thought the only way I'd ever see Kevin again was on a TV screen. But now? He's desperate, broken, and broke. ShaeLynn Samuels is a unique woman with future plans I want to be a part of. And Kevin never left my heart or my thoughts. Now I have a chance to make both ShaeLynn's biggest dream come true—and

mine. Kevin's coming along for the ride whether he wants to or not. From two time British Fantasy Award-winning author, Jen Williams, comes the epic conclusion to the Winnowing Flame trilogy. Exhilarating fantasy for fans of Robin Hobb. 'One of the best fantasy novels of the year, if not the decade' James Oswald 'A fitting finale, triumphant and bittersweet in all the best ways' SciFiNow All is chaos. All is confusion. The Jure'lia are weak, but the war is far from over. Eboran was once a glorious city, defended by legendary warriors and celebrated in song. Now refugees from every corner of Sarn seek shelter within its crumbling walls, and the enemy that has poisoned their land won't lie dormant for long. The deep-rooted connection that Tormalin, Noon and the scholar Vintage share with their Eboran war-beasts has kept them alive so far. But with Tor distracted, and his sister Hestillion hell-bent on bringing ruthless order to the next Jure'lia attack, the people of Sarn need all the help they can get. Noon is no stranger to playing with fire and knows just where to recruit a new - and powerful - army. But even she underestimates

the epic quest that is to come. It is a journey wrought with pain and sacrifice - a reckoning that will change the face of Sarn forever. Join forces with the heroes of the WINNOWING FLAME TRILOGY as they strive to silence the Jure'lia's poison song once and for all. What readers are saying about the WINNOWING FLAME trilogy: 'The woman is a genius! Modern and fresh fantasy... one of my favourite series of the last few years and it ended super strong' 'A fitting end to the trilogy and I am very sad to be leaving this world behind' 'Loved it! When I grow up, I want to be a war-beast' 'Williams knocks it out of the park' 'All the stars for this. ALL... An exceptional finale that exceeded every expectation' 'Feminist fantasy at its best' 'The perfect conclusion to an epic and epically brilliant fantasy trilogy. Jen Williams is a master' 'Brilliantly creative fantasy' 'Great pacing, top-notch writing, quality characterisation, plenty of action!' 'More action, scarier monsters and a more expansive story' 'Be ready for some great reveals and twists that may break your heart, but that will overall leave you fist pumping the air' 'The world building continues to blow my mind' The Sheriff of Hell's Murder Case is the final novel in Dr. Jack Justin Turner's highly-acclaimed Cumberland Mountain Trilogy. With a mangled arm, and with his long-barreled Luger close at hand, Sheriff Jacob Newton Herald must muster all the cunning and courage that saw him through The Great War to survive the sometimes savage place he calls

home. Jake, as he is known by both friend and foe, has been described as a combination of Hamlet and Dirty Harry - but in this last volume Jake exhibits a quite different and endearing personality, when he makes two of the most important decisions of his life. Part murder mystery and part magnificent love story, The Sheriff of Hell's Murder Case again demonstrates Dr. Turner's powerful and insightful explanation of character and locale, in a page-turner that is perhaps unparalleled in modern Appalachian fiction. Turner obviously knows and loves the setting and its inhabitants and puts the lie to the work of a litany of literary carpetbaggers. As one reviewer put it, "Jack Justin Turner's voice rings so true that one might think the author is actually channeling the spirits of his early twentieth century characters. Seldom does a book transport a reader so surely to another place and time." Keywords: Romance, Revenge, Action, History, War, Kentucky, Herald, Fiction, Iron Fist, Mystery, Veteran It's 1766. The oldest vampires in the world, siblings Klaus, Elijah and Rebekah Mikaelson, have rebuilt New Orleans to great glory. The witches live on the fringes in the bayou and the werewolves have fled. When he finally finds a witch powerful enough and willing to perform the spell, happiness suddenly seems within reach. But things aren't

as simple as they seem, and the witch has an agenda of her own ... 'Fantasy as it ought to be written' George R.R. Martin The Liveship Traders trilogy returns readers to Robin Hobb's most loved world. In 2007, the Center for Automation in Nanobiotech (CAN) outlined the hardware and software platforms that would one day allow robots smaller than human cells to make medical diagnoses, conduct repairs, and even self-propagate. In the same year, the CBS network re-aired a program about the effects of propranolol on sufferers of extreme trauma. A simple pill, it had been discovered, could wipe out the memory of any traumatic event. At almost the same moment in humanity's broad history, mankind discovered the means for bringing about its utter downfall. And the ability to forget it ever happened. This is the second volume in the New York Times best-selling Wool series. Sarah Becker is the fifth girl to be abducted by a homicidal maniac. Judging from the state of the bodies that have been found, her long hair will be hacked off and she will be tortured. She has about a week to live. Ages ago, elves and dwarves unknowingly migrated between Universes via a Junction. Jenneva and Egam believe they have found a Junction and plan a trip with Alexander to test the theory and investigate the origins of the elves and dwarves. Because they believe that the perennial animosity between the two races is due to misunderstandings about their histories, the mages include the prince of elves and the prince of dwarves in the group. Trouble

begins at the very start of the journey as Egam falters going through the Junction, awakening an old nemesis, the evil demon, Alutar. It appears that the excursion will not just clarify history, but also actually change it. As the group discovers they are trapped in the new Universe, the shocking truth of the real history of the races is overshadowed by impending doom as an ancient prophecy begins to unfold. Meanwhile, the evil sorcerer, Sarac, not only gains freedom from his imprisonment, but also gains the blessing of the evil demon, Alutar. With the blessing, Sarac is given new powers and is promised a reign of a thousand years. The race is on to prevent Sarac from unfettered control of the Universes, as our trio stands incapable of altering the prophecy of destruction. Edge of Eternity is the epic, final novel in Ken Follett's captivating and hugely ambitious Century trilogy. A FIGHT AGAINST INJUSTICE 1961, and in the United States George Jakes, a bright young lawyer in the Kennedy administration and fierce supporter of the civil rights movement, boards a Greyhound bus in Washington with Verena, an employee of Martin Luther King whom he is in love with, to protest against segregation. A RISING TIDE OF DANGER In East Germany, teacher Rebecca Hoffmann finds her entire life has been a lie as she is targeted by the secret police, even as her

younger brother, Walli, dreams of escape across the Berlin Wall to Britain. In Russia, activist Tania Dvorkin narrowly evades capture for producing an illegal news-sheet, her actions all the more perilous because her brother, Dimka, is an emerging star of the Communist Party. A COLD WAR THAT COULD ELIMINATE THE WORLD FOREVER In a sweeping tale that began in 1911, the descendants of five families will now find their true destiny as they fight for their individual freedom in a world facing the mightiest clash of superpowers it has ever seen. The war is over, but Emma's battles continue at home... Emma Reece is slowly adjusting to her husband's return from the war, even though his appalling injuries mean their marriage is in name only. But then tragedy strikes, and Emma finds she cannot turn to Jack Harvey, her long-standing friend and one-time lover - for while he still loves her, he is now a married man... The final instalment in the 'Emma' trilogy, from Rosie Clarke, the author of The Downstairs Maid (Note: previously published as The Hearts that Hold by Linda Sole) The epic, thrilling conclusion to the most mind-bending, time-warping series since Doctor Who. Kaz, Dora and Jana - three people from three different time periods, brought together by forces they don't understand, given powers they can barely comprehend. Their powers have brought them together. And nothing - not war, not betrayal, and not even death - has been able to tear them apart. And now, after everything they've been through, they're about to find the bonds of their

friendship tested in ways they could never have imagined. This is the stunning, epic conclusion to the incredible story begun in TimeBomb and continued in Second Lives: a story of friendship, of love, and of learning what it means to be extraordinary. *~*Readers love the TimeBomb series!*~* 'A fast-paced, time-hopping thriller' SciFiNow 'Tremendous fun... a riveting series opener...
