WONDER IS NOW A MAJOR MOTION PICTURE STARRING JULIA ROBERTS AND JACOB TREMBLAY! Over 6 million people have read the #1 New York Times bestseller *Wonder*—the book that inspired the Choose Kind movement—and have fallen in love with Auggie Pullman, an ordinary boy with an extraordinary face. From the very first day Auggie and Julian met in the pages of R. J. Palacio's life-changing book *Wonder*, it was clear they were never going to be friends, with Julian treating Auggie like he had the plague. And while *Wonder* told Auggie's story through six different viewpoints, Julian's perspective was never shared. Readers could only guess what he was thinking. Until now. *The Julian Chapter* will finally reveal the bully's side of the story. Why is Julian so unkind to Auggie? And does he have a chance for redemption? Late one night Alice Creighton hears her father having an argument with a fairy – a snarling, bald beast with warts and needle-like teeth. The next day her father disappears, never to return. And Alice is sent to live with Master Geryon, an uncle she never even knew existed. Geryon has a dark, mysterious library which is strictly off-limits to Alice. But after meeting a talking cat who is willing to sneak her in, Alice opens a book and suddenly finds herself inside it – and the only way out is by conquering the dangerous creatures within . . . To the millions of readers who fell in love with R J Palacio's *Wonder*, Julian is best-known as Auggie Pullman's classroom bully. *White Bird* reveals a new side to Julian's story, as Julian discovers the moving and powerful tale of his grandmother, who was hidden from the Nazis as a young Jewish girl in occupied France during the Second World War. An unforgettable, unputdownable story about strength, courage and the power of kindness to change hearts, build bridges, and even save lives, from the globally bestselling author of *Wonder*. In the debut middle grade novel from #1 New York Times bestselling author Gayle Forman comes a poignant and powerful coming-of-age story that follows a young girl and her new friend as they learn about family, friendship, allyship, and finding your way in a complicated world. It's the summer of 1987, and all ten-year-old Bug wants to do is go to the beach with her older brother and hang out with the locals on the boardwalk. But Danny wants to be with his own friends, and Bug's mom is too busy, so Bug is stuck with their neighbor Philip's nephew, Frankie. Bug's not too excited about hanging out with a kid she's never met, but they soon find some common ground. And as the summer unfolds, they find themselves learning some important lessons about each other, and the world. Like what it means to be your true self and how to be a good ally for others. That family can be the people you're related to, but also the people you choose to have around you. And that even though life isn't always fair, we can all do our part to make it more just. Destined to become an indispensable classic, this fresh and invigorating guide to appreciating the world's art encourages readers to trust their own instincts, tastes, eyes and experiences. Renowned curator, award-winning museum director and controversial art critic Julian Spalding has never been part of the academic establishment. He is not bound by the burden of scholarly trends - deconstruction, post-structuralism or post-Marxism. As a connoisseur and a practising curator, he helps us reconsider our relationship with the arts and makes us aware that seeing is the true gift. He shows us how mankind's early vision of the sun and moon, the seasons and death is reflected in art and draws striking parallels between

apparently disparate cultures, eras and peoples. Reaching across continents and back through time to study the earliest known works as well as the modern world's most memorable accomplishments, Spalding offers a highly original and revealing history of art. The wonders of the world have changed little, what has changed through history is our way of understanding, approaching and seeing them and our role in it. A moving memoir from the mother of a child with Treacher Collins Syndrome, with a foreword by R.J. Palacio, author of *Wonder For Magda Newman*, normal was a goal—she wanted her son Nathaniel to be able to play on the playground, swim at the beach, enjoy the moments of childhood that are often taken for granted. But Nathaniel's severe Treacher Collins syndrome—a craniofacial condition—meant that other concerns came first. Could he eat without the aid of a gastrointestinal tube? Could he hear? Would he ever be able to breathe effortlessly? In this moving memoir, Newman, with the help of her son, tells the story of raising Nathaniel, from the shock she and her husband faced when he was born, to the inspiration of Nathaniel's own strength and quirky humor. All this while also facing both non-Hodgkins and Hodgkins lymphoma diagnoses of her own. This uplifting story of a family tackling complex and terrifying circumstances with love and resilience is a true testament to Magda and her family, and to families everywhere who quietly but courageously persist. I know I can't change the way I look. But maybe, just maybe, people can change the way they see . . .

It's the perfect way for families and teachers to talk about empathy, difference and kindness with young children. 'Frankie believed in Heaven quite literally, as if it was another lovely world out past the stars. And when he spoke the word "love", it seemed to spring free and fly into the air like a beautiful balloon you wanted to run after. But I couldn't tell my parents about Frankie, not properly. I told them I'd made friends with the boy in the room next to mine, and how he'd come from this little town out west. I couldn't tell them how he was becoming the best thing in my world. I couldn't tell anyone, I hardly admitted it to myself.' In the 1950s, 'entering' the seminary was for ever, and young boys were gathered into the priesthood before they were old enough to know what they would lose. Tom went to St Finbar's because he was looking for something more than the ordinary happiness of his home and school. But then he discovered that being able to love another person was the most important thing of all. For Tom, loving Frankie made him part of the world. Even when Frankie was gone...

*Voyage of the Beagle* chronicles Charles Darwin's five years as a naturalist on board the H.M.S. *Beagle*. The notes and observations that he recorded in his diary included Chile, Argentina and Galapagos Islands and encompasses the ecology, geology and anthropology of the places he visits. A fascinating travel memoir the ideas that were later to evolve into Darwin's theory of natural selection find their naissance in *Voyage of the Beagle*. NATIONAL BESTSELLER Being a teenager has never been easy, but in recent years, with the rise of the Internet and social media, it has become exponentially more challenging. Bullying, once thought of as the province of queen bees and goons, has taken on new, complex, and insidious forms, as parents and educators know all too well. No writer is better poised to explore this territory than Emily Bazelon, who has established herself as a leading voice on the social and legal aspects of teenage drama. In *Sticks and Stones*, she brings readers on a deeply researched, clear-eyed journey into the ever-shifting landscape of teenage meanness and its sometimes devastating consequences. The result is an indispensable book that takes us from school cafeterias to courtrooms to the offices of Facebook, the website where so much teenage life, good and bad, now unfolds. Along the way, Bazelon defines what bullying is and, just as important, what it is not. She explores when intervention is essential and when kids should be given the freedom to fend for themselves. She also dispels persistent myths: that girls bully more than boys, that online and in-person bullying are entirely distinct, that bullying is a common cause of suicide, and that harsh criminal penalties are an effective deterrent. Above all, she believes that to deal with the problem, we must first understand it. Blending keen journalistic and narrative skills, Bazelon explores different facets of bullying through the stories of three young people who found themselves caught in the thick of it. Thirteen-year-old Monique endured months of harassment and exclusion before her mother finally pulled her out of school. Jacob was threatened and physically attacked over his sexuality in eighth grade—and then sued to

protect himself and change the culture of his school. Flannery was one of six teens who faced criminal charges after a fellow student's suicide was blamed on bullying and made international headlines. With grace and authority, Bazelon chronicles how these kids' predicaments escalated, to no one's benefit, into community-wide wars. Cutting through the noise, misinformation, and sensationalism, she takes us into schools that have succeeded in reducing bullying and examines their successful strategies. The result is a groundbreaking book that will help parents, educators, and teens themselves better understand what kids are going through today and what can be done to help them through it. Contains a new discussion guide for classroom use and book groups.

Erika. I was told that dreams were our heart's desires. My nightmares, however, became my obsession. My boyfriend's older brother is like that scary movie that you peek through your hand to watch. He's handsome, strong, and completely terrifying. The star of his college's basketball team and now gone pro, he's more concerned with the dirt on his shoe than on me. I saw him. I heard him. The things that he did, and the deeds that he hid. For years, I bit my nails, unable to look away. Now, I've graduated high school and moved on to college, but I haven't stopped watching Michael. He's back, and the dirt I've seen isn't content to stay in my head anymore...Michael. Her name is Erika Fane, but everyone calls her Rika. My brother's girlfriend grew up hanging around my house and is always at our dinner table. She looks down when I enter a room and stills when I am close. I can always feel the fear rolling off of her, and while I haven't had her body, I know that I have her mind. That's all I really want anyway. Until my brother leaves for the military, and I find Rika alone at college. In my city. The opportunity is too good to be true as well as the timing. Because you see, three years ago she put a few of my high school friends in prison, and now they're out. 'The stories in Refresh, Refresh are big-hearted and drunk and dangerous, and there's a heightened, unnerving vibe as you travel through Percy's world. You never know where you will end up ... but you can be sure that he'll actually take you somewhere.' Dan Chaon Here is the United States of today. The young men and boys in this bold, fiery collection do the unthinkable to prove to themselves - to everyone - that they are strong enough to face the heartbreak in this world. The war in Iraq empties the small town of Tumalo, Oregon of fathers, leaving their sons to fight among themselves. There is a bear on the loose, a house with a basement that opens up into a cave and a nuclear meltdown that renders the Pacific Northwest into a contemporary Wild West. 'Benjamin Percy moves instinctively toward the molten center of contemporary writing, the place where genre fiction ... overflows its boundaries and becomes something dark and grand and percipient. These stories contain a brutal power and are radiant with pain-only a writer of surpassing honesty and directness could lead us here.' Peter Straub Ann Cameron's beloved and bestselling chapter book series about Julian, his brother Huey, and his friend Gloria all begins right here! Julian has a big imagination. And he is great at telling stories. He can make people—especially his younger brother, Huey—believe just about anything. Like the story about the cats that come in the mail. Or the fig leaves that make you grow tall if you eat them off the tree. But some stories can lead to a heap of trouble, and that's exactly where Julian and Huey end up! This book has been selected as a Common Core State Standards Text Exemplar (Grades 2–3, Stories) in Appendix B. "You have to go a long way these days to find a book that leaves you feeling as happy as this one." —The New York Times "There's a glow here that's hard to resist." —Booklist When 114 people go missing on Roanoke Island in what seems like an eerie repeat of what happened hundreds of years before, seventeen-year-olds Miranda and Grant may be the key to the mysteries past and present. Julian non si capacita di come siano andate le cose durante l'ultimo anno scolastico. Era il ragazzo più popolare della classe e si ritrova a essere escluso dai compagni. Tutta colpa del nuovo arrivato, August Pullman, e della sua orribile faccia, raccapricciante come quella del Fantasma dell'Opera. Come sarebbe tutto più facile se scomparisse dalla circolazione! I lettori di *Wonder* hanno spesso chiesto a R.J. Palacio perché non avesse incluso nel libro un capitolo su Julian. La sua risposta è stata che non voleva dare troppo spazio nel racconto al personaggio di un bullo e temeva che la cattiveria delle parole di Julian potesse ferire un eventuale lettore con problemi simili a quelli di Auggie. Effettivamente, però, non conoscendo il punto di vista di Julian, ai lettori rimanevano molti dubbi sulle motivazioni del suo crudele comportamento. In questo racconto, quindi, l'autrice ha deciso di narrare la storia di Julian: perché non è andato in gita scolastica? Perché a fine anno ha lasciato la scuola? R.J. Palacio si dimostra ancora una volta maestra nella capacità di immergere il lettore nell'intimo percorso di un personaggio, attraverso un'empatia totale. The multi-million-copy bestseller *WONDER* showed how choosing kindness and empathy can change the lives of those around you. Now, in *AUGGIE & ME*, you can discover a new side to the *WONDER* story in three new chapters from three different characters: Julian: Auggie's classroom bully Christopher: Auggie's oldest friend Charlotte: Auggie's classmate These three stories are heartbreaking, surprising, funny and hopeful.
