Intertextual Masculinity in French Renaissance Literature is an in-depth analysis of normative masculinity in a specific corpus from pre-modern Europe: narrative literature devoted to the subject of adultery and cuckoldry. The text begins with a set of general questions that serve as a conceptual framework for the literary analyses that follow: why were early modern readers so fascinated by the figure of the cuckold? What was his relation to the real world of sexual behavior and gender relations? What effect did he have on the construction of actual masculinities? To respond to these questions, David LaGuardia develops a theoretical approach that is based both on modern critical theory and on close readings of records and documents from the period. Reading early modern legal texts, penance manuals, criminal registers, and exempla collections in relation to the Cent nouvelles nouvelles, Rabelais's Tiers Livre, and Brantôme's Dames galantes, LaGuardia formulates a definition of masculinity in this historical context as a set of intertextual practices that men used to relay and to reinforce their gender identities. By examining legal and literary artifacts from this particular period and culture, this study highlights the extent to which this supposedly normative masculinity was historically contingent and materially conditioned by generic practices. This book is for those who are not yet married and for those who are married and have contemplated an affair. Marriage used to be the reward we sought after graduation. Now, unless we choose carefully, it is more than likely to be a punishment. No matter how carefully one chooses his affairee, the outcome is more often punishment than reward. Whatever way you choose, go slowly. Keep in mind that being single is not so bad and is becoming more popular. That initial fondness or statement of love is no guarantee of long term survival. Being happy and single is a lot easier than being locked into a miserable relationship. "Allen Could See How Happy His Wife Was, And He Couldn't Help But To Smile A Little." Though cuckolding is a common and hot fantasy for a lot of men into femdom – – or humiliation (and/or, I should say!) – actually transitioning from “fantasy” to “reality” is something most people struggle with. And if you're part of that large group, I understand. It wasn't always easy for me to convince MY S.O's at the time to participate in this wonderful form of play — and some flat out denied at the time. It took me a long, long time to understand what really “works” in terms of BOTH partners being REALLY (emphasis!) open to the fantasy and play, and fully embracing their respective roles in it. Remember, cuckolding takes things one step further. Until now you've likely limited your play, no matter how base or humiliating to your Lady and yourself – – or perhaps other ladies on occasion, but if you're a guy, you've likely never brought other men into the picture although you've wanted to many a times! And if you're a dominant lady, you've probably often wondered just why exactly you can't bring other men in on command to satisfy you – – but have yet struggled with the “I'm in

a relationship” conundrum, and then never gone ahead with the fantasy. But our base desires and fantasies never go away, my friend. We are who we are a deep subconscious level, and the subconscious will KEEP pushing your base desires to the surface until they’re met. Have you ever noticed that the things you think about the most are the things that HAPPEN in your life? The thoughts that you put the most emotion into – – be they positive or negative – – are what makes events manifest in your life – – and this is a truism that cannot be escaped, whether we’re talking vanilla life or BDSM. The subconscious is key to who we are, and it is key to get the subconscious to accept what we do on a sexual level as well as in real life to avoid any sort of emotional backlash from our actual physical actions – – and my experience in this regard combined with my extensive experience with femdom and related areas in general makes me the best person to bring you these tips in an easy to understand, down to earth, yet brutally frank manner that characterizes all my writings. And THIS is where most cuckold relationships end up failing as deep down inside, people struggle to accept the fantasy for what it is – – and therefore attempts to translate it into reality end in failed relationships, misery for both the partners, and way worse. And many, many years ago, yours truly was no exception to the rule either. I’ve had plenty of homosexual fantasies – – and encounters along those lines as well which initially left me feeling “powerless” and “used” – – but upon probing these feelings, I realized that it was actually a part of me I was trying to repress all along for fear of “shame” from the outside world. Starting with the first time I sucked cock in a motel, to the two or three times I sucked dick after that – – and the many times after THAT – – I’m no stranger to the myriad of emotions accompanying the actual experience. I’m NOT a stranger to the sheer rush I got from submitting to another man – especially with a lady witnessing it all – – a lady that I was dating a while ago, to be frank! I’m not a stranger to the “guilt trips” my self experienced as well post my first few encounters – – clearly a case of me not being comfortable with revealing who I was at my deepest levels, and I offer tips to remedy this sort of thing in this manual. And given I’ve worked past all this, this manual is an attempt – – an honest attempt to bring cuckolding out in the open – – along with providing workable TIPS for BOTH partners to make the relationship last at a deep and satisfying level for the long term. Once you go cuckold, you truly never go back and you’ll understand what I mean when you start implementing the tips in this manual and watch your satisfaction with your sex life SOAR to levels hitherto unimaginable. As a teenager she accidentally walked in on him in the shower and no other man since has "measured up." No matter how hard her husband tried, he just couldn't be the man that she'd dreamed about. Finally, Lana hatches a plan over Thanksgiving to make her cuckolding fantasy come true. In *My Wife Submits to Him*, Jake is determined to see his wife Stella become a submissive sex puppet but he knows that he isn't the man for the job. He's fantasized about another man making his wife into a sex slave for years and he's finally hatched a plan to make sure it happens. In *Taken By My Husband's Boss*, Kenny has already come to terms with his wife Eva's slutty ways. He's figured that she could have a waiter or a bartender here and there if it made her truly happy. What he never reckoned with was Eva deciding that Kenny's boss, Marco, was next on her list. She'd always had her eye on him and now that Kenny is in line for a promotion Eva sees this as the perfect to cuckold Kenny for his own good. Her husband would never admit it but the thought of being one-upped by his boss might just be the cuckolding fantasy that he'd always dreamed of. In *My Husband Doesn't Satisfy Me*, Jenny and Stan are newlyweds, barely out of the honeymoon stage. But something was missing. Every time they were out and about her eyes would linger over the bodies, the eyes, the breasts of other women. There was an ache deep inside of her for the touch of another woman. She'd had girlfriends before but had hoped she'd left her bisexuality behind her when she got married. Regardless of her hopes she becomes infatuated with Lila, and it doesn't take much convincing for Lila to get in on the game. Before long she's calling the shots in the bedroom and both Stan and Jenny quickly learn to love it. The story continues in *Craving Dark Chocolate*. Stan is just getting used to his new normal of sharing Jenny with women when Lila has to move away. Now that there's less excitement in their bedroom Jenny worries that Stan thinks she isn't attracted to men anymore but she has a plan to convince him that everything is alright. Jenny decides to bring a dark-skinned bull back to their bedroom to show Stan how much she likes men and how much of a man she can take. In *High Tide*, Josh and Kendra have been vacationing on a tropical island when a hurricane shuts down the entire area. They take up shelter with mysterious local named Philippe. This offers a perfect chance for them to indulge in their favorite hobby, Kendra getting taken by a well endowed stranger, and Josh watching approvingly.
