When a Dragon Moves In Jan 25 2020 This enhanced eBook features read-along narration. On a beautiful day at the beach, a young boy brings his bucket, shovel, and imagination, and builds a perfect sand castle. Right away, a dragon moves in. The boy decides to befriend his dragon and they spend time roaming the shore, flying a kite, braving the waves, defying bullies, and roasting marshmallows—all while Dad is busy sunbathing and Mom is engrossed in her book. Unfortunately, no one believes the boy when he tries to share the news of this magnificent creature. That's when the mischief begins, and the dragon becomes a force to be reckoned with. While adults will recognize the naughty antics as a ploy for attention, children will dissolve into giggles as the dragon devours every last sandwich, blows bubbles in the lemonade, and leaves claw prints in the brownies. Maybe the dragon really is running amok on the beach, or maybe it's a little boy's imagination that is running wild.

The Muffin Dragon Apr 29 2020 In a far corner of the Island of Serendipity stood the poorest of poor castles. Everything was poor including the villagers who lived inside. No matter how poor, the villagers took the greatest of pride in the baking and selling of muffins Every morning, villagers loaded them onto their only wagon and went from village to village selling all the muffins. One day there appeared at the castle a great and monstrous dragon—a muffin-munching dragon. With crumbs still on his face from the muffins he'd eaten at the last castle he'd visited, the dragon came waddling down the hill, right up to the drawbridge. From the smell of things, this was a perfect place for a muffin-munching dragon to live. From that day forward, he ate all of the muffins. With no muffins to sell, the castle folk had no money to buy supplies to bake more muffins. All would have ended here had they not all learned to work together. A delightful tale about simple economics.
