A 5-step energy detox program from renowned energy healing expert, Oliver Nino that removes the crippling blocks from your energetic field that stand between you and abundance, purpose, and happiness. Renowned energy healer and spiritual activation expert, Oliver Nino shares his 5-step energy reset that eliminates the toxins that hold you back from being in your healthiest state. In this book, Oliver explains how energetic blocks lodge themselves in your system as negative beliefs, emotions, and sometimes even physical conditions. Traumas, ancestral roots, or environmental factors create feelings of fear, guilt, anger, betrayal, uselessness, hurt, and inadequacy that can flow through you like dangerous, free radicals. These create walls in your energetic field, which can cause physical disease, relationship issues, feeling "stuck," a lack of abundance, a lack of purpose, a lack of confidence, anxiety, depression, or a general feeling of unhappiness. Writes Oliver, "I find that when you cleanse, or remove, the blocks that weigh people down using my healing techniques, it not only detoxes their energetic fields—thus, healing various aspects of wellness—but also allows them to tap into a higher power and activate their own gifts, so that they can pursue their purpose on earth. Every one of us is naturally wired to clear our energy fields. Our souls arrived here in a clear, energetic state, and so it's possible to return to our natural way of being." The gifts of the Holy Spirit are the most valuable assets bequeathed upon believers in the Body of Christ has since the beginning of time. Without the backing of these gifts, the church would not be functioning at the level of fullness of God. As a believer, it is important that you understand and know the operation of all the gifts of the Holy Spirit, namely; prophecy, faith, miracles, healing, discernment, word of knowledge, word of wisdom, diversities of tongues as well as their interpretation. Like all other things in the Christian life, the gifts of the Holy Spirit also must be taught to be practiced. Basing his revelation of the foundational doctrine of the Apostle Paul, Apostle Frequency Revelator further explores the divine truth that the gifts of the Holy Spirit are not called up at the fancy of the vessel God chooses to use. Instead, they are a divine legitimate birth right irrevocably bequeathed upon every believer in Christ. In this book, Apostle Frequency Revelator dissects on both the revelational and practical aspects of operating the gifts of the Holy Spirit, categorically synthesising them into revelational gifts, vocal gifts and power gifts. Definitions and explanations are given on each gift as well as elaborate explanations of the "how" of each operation. The reading of this book will therefore cause you to understand the call of God in your life so that you can flow in the dispensation of God's grace upon your life. It will also assist you in terms of knowing the limits and boundaries of the operation

of His gifts in your life. Ultimately, it will catapult your faith to the highest realms of the supernatural whereby you shall operate in all the gifts of the spirit for the empowerment, edification and advancement of the Church. Presiding over a Global Network of Apostolic and Prophetic Visions, in the capacity of the C.E.O of Global Destiny Publishing House (Pty) Ltd, Director of the Global Apostolic & Prophetic Network (GAP), Founder of Resurrection Embassy (The Global Church), the Pioneer of Resurrection TV (The Dead-Raising Channel) and the Principal of the renowned Global School of Signs and Wonders (GSSW), in this publication, Apostle Frequency Revelator has endeavored to unveil and unpack divine revelation that Apostle Frequency Revelator further points out the reality that the gifts of the Holy Spirit are not manifesting to their highest level of potential in some places because of a lack of proper Biblical teaching. In the midst of great evolutionary change on our planet, there are large numbers of us who share a passion to live from the heart instead of from ego. We understand how crucial personal transformation is to our collective commitment to bring forth a New Earth based on love, cooperation, equality, peace and harmony. We work diligently on our spiritual development and personal healing. Yet many of us are still not expressing our soul's full potential. Empowering the Spirit offers a unique process of self-inquiry to help with this important next step. Brimming with exercises and meditations, this book provides tools to activate deep levels of healing, self-awareness and higher states of consciousness. In addition it is filled with New Earth images, images that strongly evoke the spiritually-evolved world we are co-creating, to help us integrate these concepts more fully in our lives. In Part One, we are led through a deep internal journey where we are offered tools to understand and release fears of stepping into full power, strategies for self-observation and calming the ego, and ways to identify and heal chakra imbalances. We are given an in depth look at outmoded beliefs, both collective and individual, that create blocks to our full soul expression. Next we are guided to identify, understand and activate our pre-birth contracts and to deeply explore the multidimensional nature of our soul. In Part Two, we embark on an outer journey, weaving the activation and healing which occurred in Part One into our connections with others as we delve into the realm of relationships, families and communities and align them with New Earth principles to promote individual and planetary wellbeing. The process set forth in Empowering the Spirit comes from the author's four decades of experience as a transpersonal psychotherapist and spiritual teacher. The exercises and meditations are unique and known for their transformational power. TRAINING & ACTIVATION MANUALS - Equipping the saints (Ephesians 4:11) - Three resources for training in all righteousness that the man of GOD may be fully equipped in primary areas of the faith Manual 1: 25+ types of Prayer, Tongues and Interpretation - all in one manual. LORD teach us to pray was the cry of the disciples, 'LORD make it ours too!' For eons, humans have been locked in a shallow understanding of who we are as spirit beings. While our linear thinking may help us feel safe, it can also limit us from communicating on a deep soul level with our Creator. It is when we bypass human reasoning, if only for a brief moment, that we tap into a realm where we join with something so pure and wonderful that it defies logical explanation. It is these moments that allow us to know that our experiences in those dimensions are more real than our daily lives that greatly ignore the divine aspect of who we are. Light is the language of the soul, which allows us to communicate directly with Source without the interference of the mind, while activating codes to assist with healing

and restoration on all levels. Discover the sacred artistic tools of light language for opening DNA strands required for bodily ascension. Learn how to move in sync with Spirit to bring restoration to all creation as you integrate aspects of your multidimensional soul for a unified expression of your highest self. This book includes stories from people who are discovering light language through writing, singing, dancing, signing, and artistic creativity. The author shares her unusual personal experiences to demonstrate how multidimensional aspects of the soul are being incorporated into a unified expression of wholeness. Light Language Emerging helps to bring understanding to a vast, new, and unusual subject: the language of light. When it spontaneously started happening to me many years ago, I had no exposure to it, no one to turn to and no immediate answers. A book like this is not only a catalyst for opening, but it becomes a life line for those having unique experiences as their telepathic communications begin to activate. With Yvonne's book, readers will come to understand their own multi-dimensional nature, their cosmic connection to their galactic family, and their ability to expand beyond limiting perceptions of self and life. Jamye Price, light language channel, healer and teacher The Practical School of the Holy Spirit - Part 4 of 8, Activate Dreams and Visions, Secure Fruitfulness, Multiplication and Dominion in the Secret Place What is my motivation for writing this book and why would you want to read it? As we engage the marketplace as ambassadors of Christ - 2 Corinthians 5:21, never before has there been a need to be led by the Spirit of God than it is now. As we race towards the end, activities in the realm of the spirit continue to be heightened because the destiny of the human race hangs in the balance. Our ministry of reconciliation cannot be done on human wisdom, intellect, tactics or strategy devoid of the power and the working of the Holy Spirit. As Christians, we should realize that we are spirit with a mind using our bodies as containers to execute. As Christians, our spirit has joined with the Spirit of God at conversion. To be motivated in body, we have to first be motivated in our spirit. The Spirit then communicates to our spirit and this to our minds and our minds instructs our body to take action based on the instruction sent to us by God's Spirit in us. But for lack of understanding and knowledge of the working and ways of the Holy Spirit, some of us have either ignored or grieved the Holy Spirit. As a result, our sensitivity to Him has died or He has chosen not to lead us any longer. This series on the school of the Holy Spirit will help heighten our sensitivity and working with our best friend who is ready and willing to help us be all that God has called us to be and to do. At the end of this series, some of us will begin to dream dreams with more clarity and poise, we will be activated in the realm of visions again, we will begin to pick up promptings, voices, flows from the Holy Spirit and interpret them accurately what the Holy Spirit is saying to us the churches so that we can be effective in the mission field of life. We developed these 41 series and further broke these up into 6 easy to read chapters of 8 books of which this one is our fourth in the series. We hope you like it and we pray it will make you an effective kingdom disciple-maker, operating powerfully in the Spirit realm in Jesus name, Amen One of the things the Holy Spirit has come to do in our lives is to prosper us. His ministry is to manifest the prosperity, success and favours of God in our lives. The Bible says in the Jubilee Bible 2000 Translation: "Then Samuel took the horn of oil and anointed him from among his brethren; and THE SPIRIT OF THE LORD PROSPERED DAVID FROM THAT DAY FORWARD. So Samuel rose up and went to Ramah" - 1 Samuel 16:13 JUB "The Spirit of the Lord prospered David from that day forward." - This is the work and the ministry of the Holy Spirit in our lives. "The Spirit of the Lord Prospered David" means that the Holy Spirit is the SPIRIT OF PROSPERITY; THE SOURCE OF PROSPERITY; PROSPERITY EMANATES FROM HIM. The summary of it all is that the Holy Spirit is THE SPIRIT OF PROSPERITY! In other words, the Holy Spirit is PROSPERITY; His presence in us is PROSPERITY; His presence in us is the POWER OF GOD TO GET WEALTH given to us! The phrase "from that day forward", used in the scripture (1 Samuel 16:13 JUB) above, implies continuous prosperity. The Holy Spirit - THE SPIRIT OF PROSPERITY is to see to it that we prosper continuously; He is to work mightily in us, upon us, with us and through us to manifest the prosperity of God in our lives. But for this ministry to work fully in our lives we need to fellowship with the Holy Spirit on this basis and that is PROSPERITY! This is where having a content of relationship and fellowship comes in. Without having an intimate relationship with the Holy Spirit, you may never know the fullness of His power and work in your life. That is why we need content of fellowship with Him. Content of fellowship or relationship opens you up to the full ministry of the Holy Spirit; it makes tremendous power that is dynamic in its working

available to you and for your prosperity in life. This Fellowship With The Holy Spirit Prayer Guide was therefore written to provide you with tested and proven content of fellowship with the Holy Spirit; to enrich your fellowship with Him, to empower you, to help you understand fully the reality, work and the meaning of His presence and power in you, with you and upon you; and to help you ACTIVATE AND LIVE IN DIVINE PROSPERITY, DIVINE SUCCESS AND DIVINE FAVOUR! With the Fellowship With The Holy Spirit Prayer Points in this book you will be able to have deeper union with the Holy Spirit as you fellowship with Him and this would lead to a mighty unveiling, manifestation and outworking of divine prosperity, success and favour in your life and in all the works of your hands. This book contains: 75 tested and proven Fellowship With The Holy Spirit Prayer Points for daily use to activate and live in God's blessings of divine prosperity, favour and success. These prayer points are tailored to help you stir up and activate PROSPERITY - the mighty working power of God in you to get, increase and sustain wealth. The prayers are suited for believers who want to fellowship more with the Holy Spirit and be effective in their lives, jobs, careers, businesses, ministry and finances as Christians. Ministers of the gospel would find this prayer guide very helpful as they would be taken to greater heights in their work and walk with God. I believe God would enrich your life with this material! Leading a high-vibe life means living with purpose and love. It's about recognizing your potential and directing it accordingly, so that you make room for an endless flow of miracles, guidance, and support in every area of your life. Our world is full of fear: fear of death, public speaking, flying, drowning, failure, rejection, snakes, needles, heights, darkness, enclosed places, and countless more. Satan uses fear to steal joy, kill opportunity, and destroy hope. God has an antidote: supernatural courage. Our favorite Bible heroes achieved results greater than their natural abilities because of bravery that came only from God. Followers of Jesus throughout history have had the Holy Spirit come upon them to achieve supernatural outcomes. In *Supernatural Courage*, Robinson uses biblical examples, interviews, and testimonies, along with Bible promises, prayers, and activations to impart spiritual bravery for strength to live a life beyond what's normal. These pages will help activate supernatural courage in your life so that you can hope--and then persevere through overwhelming challenges, stand against intimidation, believe for the impossible, forgive amid injustice, use spiritual gifts for spiritual victories, and finish the race God has given you. So why am I writing this book now? What happened for this to become so important that now is the time to write this? Well, let me tell you. It was a process the Lord took me through so I could see what I had been blind to. After many years working in ministry, I knew the Lord was telling my wife and me it was time to travel out in our ministry. Our focus and vision for the ministry was the healing message of Jesus with demonstrations. I never understood why churches would teach on healing or even claim to have a healing service, and no one got healed. Many times after leaving these healing services, I would go home grieved and would cry before the Lord. These were full gospel, Holy Spirit-filled churches but in name only. I didn't see fruit from the teaching nor any demonstration of the Holy Spirit's gifts. In this book, my purpose is to look at the original definitions scripturally of the nine gifts of the Spirit and then pray for activation in your life. It's time for the churches to awaken and walk in the fullness of God. Foundational Teaching from a Charismatic Healing Minister and a Catholic Scholar International healing minister Randy Clark teams up with Mary Healy, a respected Catholic scholar, to show not only that the gifts of the Spirit still exist today, but that they are not optional; they are the necessary tools God has given for both building his Church and spreading the Gospel. With wisdom and practical insight, Clark and Healy walk you through biblical texts, dispel misconceptions, and show that there is an endless variety of gifts. They also show how the gifts are not just for a select few, but distributed freely by the Holy Spirit among believers. After laying this foundation, the authors reveal how you can activate the gifts in your own life and use them to benefit others. In this hurting world, you can give people more than just a message--you can help usher them into an encounter with God. The Lord is calling. Are you part of God's army? In his new book, *Activating the Present-Day Ministry of the Holy Spirit*, author Dr. Lon Stettler is calling those the Holy Spirit is recruiting into action to minister in these last days. This second book in his two-part Activation series outlines the three perspectives of the Holy Spirit's present-day ministry. The first perspective focuses on understanding scripturally how a person enters into the ministry of the Holy Spirit through the baptism in the Holy Spirit, speaking in tongues, and manifesting spiritual gifts. This leads into the second perspective, which is understanding the restoration ministry of the Holy Spirit to bring the church into maturity and number. The final perspective is the actual activation process to mobilize each ministry of the Holy Spirit - the baptism in the Holy Spirit with speaking in tongues, accelerating the development of the fruit of the Spirit, and activating gifts of the Spirit in your ministry. Dr. Stettler felt God leading him to write a two-part series at the start of 2020, with the first book discussing a righteousness consciousness through the identifying of Christ in us. This book then focuses on the ministry of the Holy Spirit and how to activate it in our lives and ministries. His hope is that those reading become aware of what God has gifted them with after they accepted Jesus in their hearts, the awakening of the Holy Spirit in their lives. With this new understanding, readers will begin to activate their divine gifts and ministries to be a minister in the marketplace, the public square, and the local church. This book is one of the most fascinating of my 40 volume Ascension Book Series. Electrifying reading! This book will leave your absolutely riveted and glued to every chapter. So in the course we'll be teaching about that supernatural dimension. We'll teach about how miracles are activated, what the keys are around that. We'll teach you what the foundational key is, is out of intimacy with God and hearing the voice of God, and we'll give you practical steps, practical keys, how to start from wherever you are right now, and step by step grow your faith, so you can be starting to operate successfully, and regularly and confidently in the gifts of the spirit. So in the course we'll teach on the gifts of the spirit, we'll give you a little bit about each. good news is you hold in your hand the priceless personal insights of one who has gone before you. In this book April Stutzman reveals her very personal journey of discovery into the Discerning of Spirits. Not many people are prepared to share what you will read here for fear of being ridiculed, thought strange or a misfit. However, if you have ever picked up thoughts that were not your own, received unexplainable feelings on certain part of your body or sensed or seen angels then its likely you were operating in the discerning of spirits. April provides wisdom in how she learned to navigate these experiences. The sad truth is many misunderstand these glimpses into the world of spirits around them and consequently fail to reach the fullness of their spiritual potential. Discerning of spirits is a complementary gift and for that reason it is often overlooked. However, this gift of the Holy Spirit enhances and fine tunes all the other gifts including: deliverance, counsel, dream interpretation and the delivery of prophecy. This is a timely and an easy-to-read journey of her book. Adrian Beale and Adam F Thompson Authors of The Divinity Code to Understanding your Dreams and Visions It would be difficult to imagine a better moment in history for a book on the subject of discerning of spirits. With the current seemingly continual conflict between political ideologies, economic systems, gender identities and identity politics, sexual morays and the pervasive role of government in every area of life we must be able to see the world through God's eyes and act decisively and confidently by His grace. Traditional mindsets will not show us how to live in these chaotic times. We must know God's will and to be able to articulate it against every vain philosophy and worldly orientation to be overcomers. I heartily recommend April Stutzman's book, The Chronicles of a Discerner, as a helpful guide through the confusing maze of modern demonic agendas that besiege today's professing Christians at every turn. Joan Hunter Author/Healing Evangelist host Miracles Happen TV show As the need for discernment increases in this hour, many are becoming aware they carry this gifting of discerning of spirits. The Chronicles of A Discerner is a great book that introduces, breaks down, and gives articulation to this gift. This a great tool for any level, but especially those stepping into the gifting of discerning of spirits. Those growing in this gift will gain greater confidence and gain a greater assurance they're not alone in this gifting. It's normal! Madeline James, founder of Madeline James Ministries, and author of Unlocking Your Prophetic Voice Chronicles of a Discerner is a practical yet powerful guide that will help you gain an understanding of the gift of discernment in greater depths. April walks you through her own personal journey of this unique gift and shares how she grew "spiritual muscles" to carry the weight of what the Lord has shown her over the years of cultivating a beautiful and personal relationship with the Holy Spirit. April also helps you to navigate what you may already be experiencing or will experience in your own life and calling. Not only will this book give you language, but it will also stir up a hunger to go after an intimate relationship with the Spirit of the Living God and to partner with Him in everything that you discern. Get ready to learn how to walk out this gift in the love of the Father! Teryn Yancey, Co-Founder of Glory Culture International I highly recommend April's new book, The Chronicles of a Discerner. In this publication, Apostle Frequency Revelator contends that the gifts of the Holy Spirit are the most valuable assets bequeathed upon believers in the Body of Christ has since the beginning of time. Without the backing of these gifts, the church would not be functioning at the level of fullness of God. As a believer, it is important that you understand and know the operation of all the gifts of the Holy Spirit, namely; prophecy, faith, miracles, healing, discernment, word of knowledge, word of wisdom, diversities of tongues as well as their interpretation. Like all other things in the Christian life, the gifts of the Holy Spirit also must be taught to be practiced. Paul precariously admonished the Church of Corinth not to be ignorant of spiritual gifts. Basing his revelation of the foundational doctrine of the apostle Paul, Apostle Frequency Revelator further explores the divine truth that the gifts of the Holy Spirit are not called up at the fancy of the vessel God chooses to use. Instead, they are a divine legitimate birth right irrevocably bequeathed upon every believer in Christ. In this book, Apostle Frequency Revelator dissects on both the revelational and practical aspects of operating the gifts of the Holy Spirit, categorically synthesising them into revelational gifts, vocal gifts and power gifts. Definitions and explanations are given on each gift as well as elaborate explanations of the "how" of each operation. Christians need to understand what type of gifts they are receiving before they can operate in them. Apostle Frequency Revelator further points out the reality that the gifts of the Holy Spirit are not manifesting to their highest level of potential in some places because of a lack of proper Biblical teaching. This revelational teaching will therefore bring faith and understanding for the operation of the gifts. The reading of this book will therefore cause you to understand the call of God in your life so that you can flow in the dispensation of God's grace upon your life. It will also assist you in terms of knowing the limits and boundaries of the operation of His gifts in your life. Ultimately, it will catapult your faith to the highest realms of the supernatural whereby you shall operate in all the gifts of the Spirit for the empowerment, edification and advancement of the Church. In this profound work of scriptural insight, Dr. Lon Stettler shares in-depth wisdom about how you can activate the purpose and power that God has planted within you. As Stettler explores the truth about your God-given spirit, you'll discover the amazing reality of your born-again spirit, which accurately reflects who you are, what you have in Christ, and what you can do through Him. Learn the distinction between your born-again spirit and your soul so that you can understand the 'real' you as you embrace your identity in Jesus Christ. Stettler's words will show you how to see yourself as God sees you, inspiring you to move from a 'sin consciousness' view to a 'righteousness consciousness' view of yourself. Through a Scripture-based four-step activation process to achieve a righteousness consciousness, you can unlock the keys to awakening your born-again spirit and uncovering life-changing transformational truths. The activation process is how the Kingdom of God works! The book concludes with 33 devotions of your identity in Christ, with each devotion containing a faith-building prayer of activation. Each devotion builds to establish you in the fullness of who you are in Christ. Activation is the process of your soul catching up with what has already transpired in your born-again spirit. The Spiritual Gifts (Part 2): The Gifts of the Holy Spirit is the second part of a two part series on the spiritual gifts. This revised edition is in study outline format to make reading and studying much easier. Part 2 covers the gifts of the Holy Spirit found in 1 Corinthians 12:4-11, also called the manifestations of the Spirit. The gifts of the Holy Spirit- word of wisdom, word of knowledge, faith, workings of miracles, gifts of healings, prophecy, discerning of spirits, tongues, interpretation of tongues- are the manifestations of the presence and power of the Holy Spirit. These gifts are bestowed by God's grace and through the Holy Spirit, but also according to the will of God. Everyone who is born of the Spirit can manifest any of these gifts to some degree, but one must earnestly desire them and be surrendered to God in order to be used in them on a regular basis. The purpose of this book is to help you better understand these gifts, receive and activate these manifestations of the Spirit, and become more anointed in these gifts and fulfill your calling in God. Everyone has at least one spiritual gift, according to the Bible. But many don't know what that gift is or how to use it. This book provides clear steps and guidelines to find and activate spiritual gifts. The eight lessons offer biblical insight on what the gifts are and practical suggestions on how to use them. This book will especially help those leading a small group to know how to discern the different gifts among group members-and then to help each person activate that gift. The only way to discover spiritual gifts is in the context of relationships. Spiritual gift tests, while helping believers to think through the possibilities, are insufficient in themselves. The atmosphere of trust in a small group is the key cornerstone that allows the free flow of the spiritual gifts. When trust is established, people are more willing to risk and try out new, potential gifts. A small group can provide honest feedback about the person's success, as well as areas of improvement. This book prepares each small group member to understand what his or her spiritual gift is and then instructs the person how to use that gift. Discover is a great resource to use individually, in a small group, or in a classroom teaching setting. Learn and activate the 9 Gifts of Holy Spirit. What is my motivation for writing this book and why would you want to read it? As we engage the marketplace as ambassadors of Christ - 2 Corinthians 5:21, never before has there been a need to be led by the Spirit of God than it is now. As we race towards the end, activities in the realm of the spirit continue to be heightened because the destiny of the human race hangs in the balance. Our ministry of reconciliation cannot be done on human wisdom, intellect, tactics or strategy devoid of the power and the working of the Holy Spirit. As Christians, we should realize that we are spirit with a mind using our bodies as containers to execute. As Christians, our spirit has joined with the Spirit of God at conversion. To be motivated in body, we have to first be motivated in our spirit. The Spirit then communicates to our spirit and this to our minds and our minds instructs our body to take action based on the instruction sent to us by God's Spirit in us. But for lack of understanding and knowledge of the working and ways of the Holy Spirit, some of us have either ignored or grieved the Holy Spirit. As a result, our sensitivity to Him has died or He has chosen not to lead us any longer. This series on the school of the Holy Spirit will help heighten our sensitivity and working with our best friend who is ready and willing to help us be all that God has called us to be and to do. At the end of this series, some of us will begin to dream dreams with more clarity and poise, we will be activated in the realm of visions again, we will begin to pick up promptings, voices, flows from the Holy Spirit and interpret them accurately what the Holy Spirit is saying to us the churches so that we can be effective in the mission field of life. We developed these 41 series and further broke these up into 5 easy to read chapters of 8 books of which this one is our first in the series. We hope you like it and we pray it will make you an effective kingdom disciple-maker, operating powerfully in the Spirit realm in Jesus name, Amen "Heal the sick, raise the dead, cleanse the lepers, cast out demons." Matthew 10:8 isn't just a challenging commission to every Christian believer; it is what Jesus expects from every one of us. He gave us his Holy Spirit so that we would have the power to heal the sick and raise the dead. To live any less than this is to dishonor our destiny and the price that Jesus paid so we could walk in His shoes. He lives in us. His power flows through us. He gave us authority to do things in His name. It's time to walk in our destiny! These Signs Shall Follow will teach you your identity, your destiny, and your authority. It will teach you how to pursue God and the gifts of the Holy Spirit with hunger and passion. It gives practical insight on how to acquire and practice the spiritual gifts. You will learn how to get a word of knowledge, how to prophesy over someone, and how to heal the sick. Spirituality: We are born under the law of spiritual death and our minds, from infancy, give us a feeling of helplessness and inferiority. At conversion, God instantly places us into union with Jesus Christ and deposits in our spirits all the abilities of Jesus Christ. But this awareness must begin in our spirits and then be transmitted to our souls. Our spirits are the center of our whole being. The spirit man is more real than the outward man, the soulish man, or the physical man. The spirit controls our destiny and it contains the lifeblood inside of us. The spirit controls who we are and what we are. It is eternal. The believer will live for eternity in heaven and the unbeliever will live for eternity in hell. What determines the destiny of the believer and the unbeliever is what is contained in their spirit. We must meditate on God's Word and develop our spirit man. The believer has unlimited possibilities in the Divine life of Christ within him. There is no ground for a man to be weak. The power is in his spirit. There is a harmony in our being. Man is a trichotomous being, spirit, soul and body. When these are in harmony with God's will, a stature develops in our being that activates and keeps us functioning to who we are in Christ. Ephesians 4:13 reveals the facts to be attained in the, "unity of faith, unto the measure of the stature of the fullness of Christ." What I am in my Spirit: The wise man Solomon stated in Proverbs 20:27, "The spirit of a man is the lamp of the Lord, searching all the inner depths of his heart." We must establish that God created man to be a spirit-dominated and controlled being, not a physical and soul dominated and controlled being. To fully understand the spirit within

man, we must understand in what relationship are the spirit, soul and the body. Man is a spirit being. What we are in our spirit is what we are. The real us is who and what we are in our spirit. We have often placed the statement, "body, soul, and spirit" in its reverse order in importance. When the Bible referred to the order of our makeup in 1 Thessalonians 5:23, ".I pray God your whole spirit and soul and body be preserved blameless...." In this order, the Bible is emphasizing spirit first because the real you is your spirit. We have a soul and we live in a body, but the real us, who and what we are, is in our spirit. When we look at the creation of man, God formed us from the dust of the earth, breathed into our bodies the breathe of life. The original Hebrew word from which breath comes means 'spirit.' God created us a spirit, gave us a soul that we may be able to deal with the mental world around us, gave us a physical body to live in a material and physical world but our spirit was created by God to be a spirit dominated and controlled being -- to be in a class like God and different from the rest of God's creations. If you look at Adam in the beginning before the fall, he was a spirit dominated and controlled man. Adam was in the soulish and functioned in that realm. He had a consciousness of his will, mind, emotions and feelings. But the key to Adam's power as a spirit man was that his' consciousness; his' soul, mind and emotions were all under the power and influence of the spiritual realm. To become spiritually activated is first to become aware of our true reality - a spirit being. Our true life, existence, warfare, present and future success in living is spiritual activation in Christ. THE BOOK IS A MUST FOR THIS AGE.
