The Bible Unfiltered Jun 06 2021 In *The Bible Unfiltered*, Michael Heiser, an expert in the ancient Near East and author of best-seller *The Unseen Realm*, explores unusual and misunderstood parts of the Bible and offers insights that will inform and surprise you on every page.

The Unseen Realm Jul 07 2021 Have you ever had afflictions in your home, marriage, and relationships? The fact that spiritual warfare takes place in the supernatural realm makes it very difficult for most persons to detect the handwriting on the wall easily. A lot of things are orchestrated behind the scene in the spiritual realm which seems normal in the physical realm. Therefore, it could go unnoticed for many years thereby, holding such individuals in bondage. There are various signs that can

help you to know when warfare is ongoing in your life. After reading this book, you will be equipped with the spiritual weapons that can overturn the strongholds of the enemy in your affairs and you will enjoy the peace of God that passes understanding. Understand the easiest ways to enjoy total victory over the enemy in spiritual warfare. Learn the principles of effectual prayer and fasting, know the various powers behind the afflictions humanity is facing and the steps to overcome the enemy and live in constant victory. Moreover, you will learn ways to relate to your spouse and other family members and enjoy God's abundant blessings. The devil has already been defeated and you should enforce your victory in Jesus Christ over the enemy by engaging in spiritual warfare. **Supernatural** Dec 24 2022 Dr. Michael S. Heiser presents fifteen years of research on what the Bible really says about the unseen world of the supernatural, unfiltered by tradition or by theological presuppositions. Who were the sons of God? Who were the Nephilim? Where do angels fit into the supernatural hierarchy? What relation does Jesus bear to the rest of the supernatural world? Heiser tackles these questions and many more as he shines a light on the ancient context of Scripture. After reading this book, you may never read your Bible the same way again. In *Supernatural*, Heiser takes the core message from his recent best-seller, *The Unseen Realm*, and presents it for the person in the pew. He offers the same approach to reading and understanding Scripture, but without all the extra footnotes and supporting information needed for the scholarly treatment. "We can't believe what we don't understand. In *Supernatural*, Michael Heiser helps us to do both. It may open your eyes to the scripture in a new way." —John Ortberg, author of *If You Want to Walk on Water, You've Got to Get Out of the Boat*

The Fourth Industrial Revolution Mar 23 2020

The founder and executive chairman of the World Economic Forum on how the impending technological revolution will change our lives We are on the brink of the Fourth Industrial Revolution. And this one will be unlike any other in human history. Characterized by new technologies fusing the physical, digital and

biological worlds, the Fourth Industrial Revolution will impact all disciplines, economies and industries - and it will do so at an unprecedented rate. World Economic Forum data predicts that by 2025 we will see: commercial use of nanomaterials 200 times stronger than steel and a million times thinner than human hair; the first transplant of a 3D-printed liver; 10% of all cars on US roads being driverless; and much more besides. In *The Fourth Industrial Revolution*, Schwab outlines the key technologies driving this revolution, discusses the major impacts on governments, businesses, civil society and individuals, and offers bold ideas for what can be done to shape a better future for all.

[Seeing the Unseen Realm](#) Jan 13 2022 Do you know your true identity and purpose in the Kingdom of God? Do you have a clear picture of how the Lord sees you when you fulfill your Kingdom destiny and accomplish His purposes for your life? It is time to see into the unseen realm and get a clear picture of the answer to these and many other questions. "Essential revelation from heaven that is a "must understand" to accomplish your destiny." Sid Roth, Host, *It's Supernatural!*" And now I'm going to tell you who you are, really are. You are Peter, a rock. This is the rock on which I will put together my church, a church so expansive with energy that not even the gates of hell will be able to keep it out. (Matthew 16:18, TMG) James has served in ministry for more than 48 years, including 13 years as a pastor and church planter and almost 30 years as an active duty army Chaplain. James retired from the military at the rank of Colonel. In 2010, James and his wife, Gloria, retired from the pastoral ministry and moved to Columbia, South Carolina in order to write, teach seminars around the world, and mentor many spiritual sons and daughters. James is a graduate of Oklahoma State University with a Bachelor's Degree in Psychology and Perkins School of Theology, Southern Methodist University, Dallas, Texas with a Master's degree in Theology."

The Spirit of Judaism Oct 18 2019 Originally published in 1930, this book was intended to be an effective inspiration to faith and duty and emphasizes the importance of Judaism as a living creed. Although inevitably a product of the

time in which it was originally published, the author's experience and wisdom from many years of preaching means that book has enduring relevance for many aspects of Jewish life: Family, Leadership, Anti-Semitism, Morality, Faith, Reason and the Nation of Israel are all topics which are covered.

Demons Jun 18 2022 2020 Center for Biblical Studies Finalist for Biblical Theology The truth about demons is far stranger--and even more fascinating--than what's commonly believed. Are demons real? Are they red creatures with goatees holding pitchforks and sitting on people's shoulders while whispering bad things? Did a third of the angels really rebel with Satan? Are demons and "principalities and powers" just terms for the same entities, or are they different members of the kingdom of darkness? Is the world a chaotic mess because of what happened in Eden, or is there more to the story of evil? What people believed about evil spiritual forces in ancient biblical times is often very different than what people have been led to believe about them today. And this ancient worldview is missing from most attempts to treat the topic. In *Demons*, Michael Heiser debunks popular presuppositions about the very real powers of darkness. Rather than traditions, stories, speculations, or myths, *Demons* is grounded in what ancient people of both the Old and New Testament eras believed about evil spiritual forces and in what the Bible actually says. You'll come away with a sound, biblical understanding of demons, supernatural rebellion, evil spirits,

and spiritual warfare.

Signs from the Unseen Realm Oct 22 2022 In early medieval China hundreds of Buddhist miracle texts were circulated, inaugurating a trend that would continue for centuries. Each tale recounted extraordinary events involving Chinese persons and places—events seen as verifying claims made in Buddhist scriptures, demonstrating the reality of karmic retribution, or confirming the efficacy of Buddhist devotional practices. Robert Ford Campany, one of North America's preeminent scholars of Chinese religion, presents in this volume the first complete, annotated translation, with in-depth commentary, of the largest extant collection of miracle tales from the early medieval period, Wang Yan's *Records of Signs from the Unseen Realm*, compiled around 490 C.E. In addition to the translation, Campany provides a substantial study of the text and its author in their historical and religious settings. He shows how these lively tales helped integrate Buddhism into Chinese society at the same time that they served as platforms for religious contestation and persuasion. Campany offers a nuanced, clear methodological discussion of how such narratives, being products of social memory, may be read as valuable evidence for the history of religion and culture. Readers interested in Buddhism; historians of Chinese religions, culture, society, and literature; scholars of comparative religion: All will find *Signs from the Unseen Realm* a stimulating and rich contribution to scholarship.

The Unseen Realm Feb 26 2023 In *The Unseen Realm*, Dr. Michael Heiser examines the ancient context of Scripture, explaining how its supernatural worldview can help us grow in our understanding of God. He illuminates intriguing and amazing passages of the Bible that have been hiding in plain sight. You'll find yourself engaged in an enthusiastic pursuit of the truth, resulting in a new appreciation for God's Word. Why wasn't Eve surprised when the serpent spoke to her? How did descendants of the Nephilim survive the flood? Why did Jacob fuse Yahweh and his Angel together in his prayer? Who are the assembly of divine beings that God presides over? In what way do those beings participate in God's decisions? Why do Peter and Jude promote belief in imprisoned spirits? Why

does Paul describe evil spirits in terms of geographical rulership? Who are the "glorious ones" that even angels dare not rebuke? After reading this book, you may never read your Bible the same way again. Endorsements "There is a world referred to in the Scripture that is quite unseen, but also quite present and active. Michael Heiser's *The Unseen Realm* seeks to unmask this world. Heiser shows how important it is to understand this world and appreciate how its contribution helps to make sense of Scripture. The book is clear and well done, treating many ideas and themes that often go unseen themselves. With this book, such themes will no longer be neglected, so read it and discover a new realm for reflection about what Scripture teaches." --Darrell L. Bock, Executive Director for Cultural Engagement, Senior Research Professor of New Testament Studies, Howard G. Hendricks Center for Christian Leadership and Cultural Engagement "How was it possible that I had never seen that before?" Dr. Heiser's survey of the complex reality of the supernatural world as the Scriptures portray it covers a subject that is strangely sidestepped. No one is going to agree with everything in his book, but the subject deserves careful study, and so does this book." --John Goldingay, David Allan Hubbard Professor of Old Testament, School of Theology, Fuller Theological Seminary "This is a 'big' book in the best sense of the term. It is big in its scope and in its depth of analysis. Michael Heiser is a scholar who knows Scripture intimately in its ancient cultural context. All--scholars, clergy, and laypeople--who read this profound and accessible book will grow in their understanding of both the Old and New Testaments, particularly as their eyes are opened to the Bible's 'unseen world.'" --Tremper Longman III, Robert H. Gundry Professor of Biblical Studies, Westmont College

[Supernatural: a Study Guide](#) Apr 04 2021 In *Supernatural: What the Bible Teaches About the Unseen World--and Why it Matters*, Michael S. Heiser uses his expertise and 15 years of research to tackle questions about what the Bible really says about the unseen world. Ronn Johnson's *Supernatural: A Study Guide* will help you further explore the ancient worldview of the Bible. Johnson walks through main themes and big picture ideas from *Supernatural*, while connecting each with practical applications. Reflection questions at the end of each chapter are designed for individual study or discussion with a small group.

Christ Before Creation May 05 2021 "Come, take my hand. Together let us go into God...into the very center of God Himself." Gene Edwards thus takes you on a journey into God, there to explore the invisibles. You will discover that the center of God is Christ...at a time before Christ created. Be there with Him before He created. You will discover there is much which Christ did before He created. Watch as He passes farther into the eternals. Here is Christ before angels, Christ even before nothingness, and Christ the One who is all. What is it like to become familiar with seeing the unseen, to live in, to think in and to comprehend another realm, with no up, no down, no space, no time...a place before time, mass or dimension? Meet a transcended Lord outside the space-time continuum, a Lord free of the fetters of creation. Journey with your Lord who lives in the eternal now. No subject has been more neglected (and needed) than that of understanding - and touching - the invisibles.

The Unseen Chronicles Aug 28 2020 *The Unseen Chronicles - Inspirational Fiction An Unseen Realm Anthology* For our battle is not against flesh and blood... Do not forget to entertain strangers, for by so doing some people have entertained angels without knowing it. - Hebrews 13:2 For he will command his angels concerning you to guard you in all your ways; they will lift you up in their hands, so that you will not strike your foot against a stone. - Psalm 91:11-12 For our struggle is not against flesh and blood, but against the rulers, against the authorities, against the powers of this dark world and against the spiritual forces of evil in the heavenly realms. - Ephesians 6:12 The stories in this novella are based on actual events. The names, however, have been changed. While writing these stories, I personally interviewed or watched interviews and/or read the accounts from the individuals that experienced each story. I interpreted what may have happened if we could see, with human eyes, the battles waged against the darkness in the unseen realm. The results came to be *The Unseen Chronicles*. This anthology is not intended to idolize angels nor place them higher than our Almighty Lord and Savior, Jesus Christ, the one and only Son of God. The Bible says he gave the angels charge over you (Psalm 91:11-12 NAS), so if you've experienced the unseen hand of one of his warriors, then it was by the Lord's command, and apart from Him they can do nothing. The idea behind this anthology was to show that while we struggle with our circumstances, we are not alone in our fight. For our struggle is not against flesh and blood, but against the rulers, against the authorities, against the powers of this dark world and against the spiritual forces of evil in the heavenly realms. (Ephesians 6:12 NIV)

Unseen Realities Dec 20 2019 Heaven, Hell, Angels and Demons All four are true realities that impact upon our everyday lives Gain an understanding of these things

A Little Book for New Theologians Jan 01 2021 In this quick and vibrant little book, Kelly Kopic presents the nature, method and manners of theological study for newcomers to the field. He emphasizes that theology is more than a school of thought about God, but an endeavor that affects who we are. "Theology is about life," writes Kopic. "It is not a conversation our souls can afford to avoid."

Angels May 17 2022 What does the Bible really tell us about the heavenly host? Everyone knows that angels have wings, usually carry harps, and that each of us has our own personal guardian angel, right? We all have some preconceptions about angels from movies, television shows, and other media, but you might be surprised to know that a lot of those notions aren't based on anything from the Bible. If you read Luke 1:26-38 and imagine the angel Gabriel standing before Mary with neatly folded white wings, you're not getting that picture from anything the Bible itself says. What the Bible really says about angels is overlooked or filtered through popular myths. This book was written to help change that. It's a book about the loyal members of God's heavenly host, and while most people associate them with the word "angel," that's just one of many terms the Bible uses for supernatural beings. In *The Unseen Realm*, Michael Heiser opened the eyes of thousands to seeing the Bible through the supernatural worldview of the ancient world it was written in. In his latest book, *Angels*, Dr. Heiser reveals what the Bible really says about God's

supernatural servants. Heiser focuses on loyal, holy heavenly beings because the Bible has a lot more to say about them than most people suspect. Most people presume all there is to know about angels is what has been passed on in Christian tradition, but in reality, that tradition is quite incomplete and often inaccurate. Angels is not guided by traditions, stories, speculations, or myths about angels. Heiser's study is grounded in the terms the Bible itself uses to describe members of God's heavenly host; he examines the terms in their biblical context while drawing on insights from the wider context of the ancient Near Eastern world. The Bible's view on heavenly beings begins with Old Testament terms but then moves into literature from the Second Temple period--Jewish writings from around the 5th century BC to the 1st century AD. This literature from the time between the Old Testament and the New Testament influenced the New Testament writers in significant ways. With that important background established, the book focuses on what the New Testament tells us about God's holy ones. Finally, the book reflects on common misconceptions about angels and addresses why the topic is still important and relevant for Christians today.

9 Steps to Accessing the Unseen Realm Nov 23 2022 The ability to see and experience the unseen realm should come easily to people. For me, accessing what was hidden was easy, yet from the testimony of my two friends who teach people how to develop spiritual sight, it was anything but a simple endeavor for them to embark on and see success. When you read of the struggle and the many hours my friends had to spend in practice to have their spiritual eyes opened, the gift of spiritual sight becomes precious and should be revered by those who possess it. This book brings to you a path that many thousands have trod, the one that had success for many, and yet also an easier option that takes less fuss and effort but does not come without you doing some careful work in preparation. It comes down to this. How valuable will it be to you to have authentic spiritual encounters in the hidden, unseen realm? How much effort will you put in to step forward and have your chance at greatness and develop the intimacy with God that comes from being a participator in the game rather than just a spectator? The spiritual discipline that will take you behind the curtains to explore the unseen realm for yourself is much but won't the hours of regularly meeting Jesus face to face and the wonders of heaven and all that entails be worth it for you in the end? This book contains a course of discovery and a journey into knowledge that, if accessed and applied, will bring you access to everything you desire in the unseen realm.

The Unseen World Jun 25 2020 This intriguing collection features an international perspective, as scholars from America, Australia, Great

Britain, and Zaire explore the invisible realm and present new insights about the nature of this unseen world. The essays provide broad coverage of the heavenly realms. Among the selections are articles examining the thought of key figures, such as Barth, Moltmann, and Jung, and a consideration of demonology from many perspectives: Graeco-Roman, African, secular, biblical, and charismatic. A final chapter articulates the contribution that the book as a whole makes to future theological discussion.

Win Your War Sep 28 2020 You're already in a war. It's time to fight. This book will equip you with tools to protect the five fronts of spiritual battle: your relationship with God, your identity, your family and friends, your church, and the world. Win Your War is a practical marriage, parenting, and relationship book that is grounded in the Word of God and focused on recognizing Satan's role in your life. Mark and Grace Driscoll help you understand the power Jesus gives you to overcome the enemy's attacks. Mark and Grace Driscoll look at the nature of spiritual warfare in response to Adam and Eve. God has a kingdom where His people are governed by the Spirit. Satan has the world, where his people are governed by the flesh. Spiritual warfare is the battle between these two realities in everything, including our identity, temptation, gender, marriage, and emotional well-being. Some years ago Mark Driscoll preached on the Book of Genesis and discovered an unexpected theme about spiritual warfare that works itself out in all of human history: the storyline of the Bible is that there is first a wedding and then a war. Satan did not show up until a man and woman were married and had a ministry call on their lives. The first thing he did was attack marriage and separate men and women. After reading this book, you will uncover the five fronts of spiritual battle: your relationship with God, your identity, your family and friends, your church, and the world. The World Turned Upside Down Aug 08 2021

The paranormal television series *Stranger Things* taps into the mysterious elements that have fueled spiritual questions for millennia. The otherworldly manifestations in Hawkins, Indiana offer compelling portrayals of important spiritual truths--and many of these truths are echoed in the supernatural worldview of the Bible.

Living from the Unseen Nov 30 2020 We are first and foremost a spirit living in a natural body - learning to see, hear and access the spirit realm and its principles. Learning to live life through the eyes of the spirit is transforming and freeing. Living from the Unseen reveals that we can live life through the eyes of the spirit and with an awareness of the spiritual realities and principals that affect our everyday lives. This is a book that shares insights on how to obtain a transformed life through renewing the mind. Wendy's journey, and these insights, are meant for those Christians who intuitively know there is more to "walking in the Spirit" than traditionally understood by the Church. This book will also help Christians who are tired, discouraged, hopeless or hungering for their destiny and identity to be fully developed and released. This book will help identify beliefs that block the reception of God's blessings and hinder our ability to live out our destiny. You will learn that: * Believing differently, not trying harder, is the key to change. * You cannot do what you don't believe you are. * You can only receive what you think you are worth.* Rather than learning how to die - it is time to learn how to live.

Reversing Hermon Mar 15 2022 *Reversing Hermon* is a groundbreaking work. It unveils what most in the modern Church have never heard regarding how the story of the sin of the Watchers in 1 Enoch 6-16 helped frame the mission of Jesus, the messiah. Jews of the first

century expected the messiah to reverse the impact of the Watchers' transgression. For Jews of Jesus' day, the Watchers were part of the explanation for why the world was so profoundly depraved. The messiah would not just revoke the claim of Satan on human souls and estrangement from God, solving the predicament of the Fall. He would also not only bring the nations back into relationship with the true God by defeating the principalities and powers that governed them. Jews also believed that the messiah would rescue humanity from self-destruction, the catalyst for which was the sin of the Watchers and the influence of what they had taught humankind. The role of Enoch's retelling of Genesis 6:1-4 in how New Testament writers wrote of Jesus and the cross has been largely lost to a modern audience. *Reversing Hermon* rectifies that situation. Topics include: * How the ancient Mesopotamian story of the apkallu aligns with Gen 6:1-4, was preserved in 1 Enoch, and sets the stage for the theme of reversing the evil of the Watchers * How the theme of reversing the transgression of the Watchers colors the gospel accounts of the birth of Jesus, his genealogy, and his ministry. * How the writings of Peter and Paul allude to the sin of the Watchers and present Jesus as overturning the disastrous effects of their sins against humanity. * How the descriptions of the antichrist, the end-times Day of the Lord, and the final judgment connect to Genesis 6 and the nephilim. Though every topic addressed in *Reversing Hermon* can be found in scholarly academic literature, *Reversing Hermon* is the first book to gather this information and make it accessible to Bible students everywhere.
