Madison Kate is a new adult/college age dark romance with enemies to lovers/hate to love themes. This is a reverse harem series, meaning the leading lady has several love interests and she doesn't have to choose between them for her happily ever after. If this isn't your cup of tea, then this isn't the series for you. ♥ FAKE is book 3 of 4 in the MADISON KATE series. The blurb below will contain spoilers for previous books, and I urge you not to read it until you've finished both HATE and LIAR. ♦♦♦ "You'll always be mine." The latest taunt from my stalker reminded me I was nothing more than a possession to my father, to the Reapers, to Archer D'Ath. Even to Kody and Steele. Princess Danvers-the prize. His wife. Archer D'Ath's wife. I hated them. They lied to me. Over and over again. I knew they lied and I hated myself for letting it happen. For believing in the fake relationships I had wanted so desperately to be real. Fake. It was all fucking fake. My stalker isn't letting me go. None of them are. Archer and his boys think they control me. My stalker wants to possess me. I'm not an idiot, I know my newest allies are using me, too. That's fine. I'll use all of them. I'll use them to take back what's mine. My life. My freedom. My name. No one owns Madison Kate Danvers. The only men I've ever wanted are Slash, Ajax, and Draikh. There's just one catch. They're three famous rock stars, and they don't know I exist. The moment I heard Not a Vampire play, I fell in love. Not just with their music, but with three members of the band. Keyboardist Slash, drummer Ajax, and bassist Draikh have become my obsession—but I'm just another screaming fan. When I finally meet my rock star idols face to face, I discover that the stage effects they use aren't actually illusions. Can I handle a dragon shifter, a mage, and a blue alien with extra limbs? My life changed in an instant, altered by fire, irreparably damaged. Just like me. I'm a broken, damaged soul on the run from a very real sort of darkness. My father, a notorious mob boss, either wants me back or wants me dead. I find solace in the arms of his enemies. Five deliciously dark men that tempt me to do things I shouldn't. Arsen, Colt, Weston, Mace, and Hawke. They're just as dangerous as the men they're hunting. So, will they save me, or burn me to ashes? Either way, in their arms, I catch fire. I burn. And I love every second of it. **NOTE: This book was originally published as Five Fathers by Kate Morgan. It has undergone a rewrite but the core story remains the same. ** Ciarah O'Rourke was born into torture. A human spirit reincarnated in the body of an ancient fae goddess, she's spent the last five years in iron shackles, her mind poisoned with magic for secrets she doesn't know. Waking up in a dirty alley with no memory of her escape, Ciarah finds herself in the hands of The Wild Hunt Motorcycle Club--a ruthless and violent group of bikers with faerie blood in their veins. Arlo. Reece. Killian. Three men drenched in death, sin, and old magic. From their clubhouse in the middle of the Louisiana bayou, they'll offer Ciarah the keys to unlock her memories and control the veil between worlds. But even her knights can't erase the twisted scars that remind her they aren't the only ones who hunt. When The Wild Hunt rides, the souls of the dead join their parade. All that's missing now is their queen. DARK GLITTER is the first of three books in THE WILD HUNT MOTORCYCLE CLUB series, a full-length reverse harem novel with dark faeries, werewolves, goddesses, voodoo magic, steamy scenes, graphic violence, cursing, and a supernatural motorcycle club. Um. Um. Um. Are you reading this? If you are, I need your help. I was at a party; I was running; I fell. And get this--this is the part you'll never believe--I fell down a rabbit hole. Like Alice in those old books. Except in those books, there wasn't blood everywhere. In those books, the characters weren't all male, attractive, and interested in me. Forget everything you know about the Mad Hatter, the White Rabbit, the March Hare ... This isn't Wonderland; this is Underland. Violence, sex, drugs, and magic ... that's all there is in this place. There's me, Allison, and there are the men that want me, the enemies that hunt me, and the darkness that's quickly rolling in. And only I can stop it. So if you're reading this, will you help me? Please. I just want to escape this place and go ... home. ALLISON'S ADVENTURES IN UNDERLAND (Book 1 of 3 in the "Harem of Hearts" series) -- is a full-length reverse harem/new adult/dark romance novel, a gritty retelling of "Alice's Adventures in Wonderland". Don't expect a children's tale; these characters are nothing like their more innocent counterparts. This book contains: drugs, cursing, violence, sex ... and love found in the darkest shadows. How to be a Firehouse Cat: 1. Wake up naked in a fireman's bed 2. Stare at equally naked firemen 3. Find the local witches 4. Get lots of fuss and attention 5. Don't let them figure out you're the cat And oh, yeah, find the person responsible for your curse and killing your parents. Before they find you. No pressure. I've searched for proof that witches exist all my adult life. When I finally get a lead and position myself to prove the paranormal world is real and right under our noses, enter three gorgeous firemen to derail my investigation. If I didn't know better, I'd think they were purposefully trying to keep me from discovering the world of the witches, vampires, and shifters. As if I could ever believe it didn't exist. I'm a cat, for whisker's sake. - Feline the Heat is book one of the Firehouse Witches Series, a medium-burn paranormal reverse harem with a side of laughter and plenty of heat (and it's not just coming from the fire!) A temple desecrated. Sealed paths opened. Let the hijinks begin! Sergeant Marcus Bola and his platoon flew to a newly uncovered temple in the desert while deployed overseas; an unheard-of mission. Something in the ruined holy place had killed many, and the survivors met an unfortunate ambush just before reaching safety. The attack left Marcus wounded and medically discharged from the only life he's known... but something wasn't right. None of it was. Laying low and waiting for answers, Marcus decides tending bar is as good a way to stay afloat and off the radar. Turns out slinging cocktails, singing karaoke, and talking to the patrons isn't as easy as he thought it would be: gods, monsters, and devils are showing up to try the mixers. The vessel has been chosen. Something inside him is calling the shots--and we're not talking about tequila! They're waiting for you. Those four words should have been a warning. They should have filled Violet with dread. But she was so focused on Rafe's disappearance, she forgot. The resistance was supposed to be fighting for a better world. A group of freedom fighters formed during the Monarch War, pushing back against laws that would see everyone enslaved. For a while there, they gave hope. But with power comes corruption. The Society has been quietly amassing the strength and backing to become a real threat, and not everyone wants to use that power for good. In a world torn apart by the death of monarchs, new leaders rise. Violet dives headfirst into the viper's nest with one singular goal: rescue the stolen prince who possesses half her heart. With the unwavering support of Jordan at her side, Violet knows she can face whatever the resistance throws at them. Even if she was the intended target all along. Keep your friends close. Keep your enemies closer. Never forget the betrayals of the past. The end of an era is here. Willa Knight: Dweller. Slave. Non-magical being. In Minatsol, being a dweller means that you are literally no better than dirt. In fact, dirt might actually be more useful than Willa. Her life will be one of servitude to the sols, the magic-blessed beings who could one day be chosen to become gods. At least her outer village is far removed from the cities of the sols, and she won't ever be forced to present herself to them... Until one small mistake changes everything, and Willa is awarded a position to serve at Blesswood, the top sol academy in the world--a position that she definitely did not earn. Under the sudden, watchful eye of the gods, she will be tasked to serve the Abcurse brothers, five sols built of arrogance, perfection and power. They are almost gods themselves, and under their service she is either going to end up sentenced to death, or else they are going to ruin her so badly that she will wish for it. Either way, she is in trouble. This is a full novel, 90,000 words. Book 1 of 5 in the Curse of the Gods Series Adora! Her beauty was legend. And in the dying days of the great Byzantine Empire - that last vestige of what had once been Imperial Rome - her value as the emperor's daughter was priceless. Three men claimed her as wife. Orkhan, the powerful Ottoman sultan; the dashing pirate Alexander, lord of Mesembria; and Prince Murad, to whom Adora's heart truly belonged. In a grand epic that sweeps the reader from the golden palaces of

fourteenth-century Byzantium to the blazing sensuality of the sultan's harem, Adora was a woman who firmly controlled her own destiny because she and Murad were meant only for each other. And together their passions would forge an empire. Adora! Her name was the secret of all love. Publisher Note: This story was previously published elsewhere, 1980-1995. Four mates to claim. Three crystals to find. Two realms to unite. With news of my fiery resurrection spreading through fae communities like wildfire, all eyes fall on me. Am I ready for the battles to come? Um... no, not even close. If only my destiny was as simple as sorting out the horizontal hijinks of four scorching hot mates. That I could handle. With a rogue fae contingent pulling strings behind the scenes, my life in danger, and a mysterious Black Knight plotting, the only thing keeping my crazy train in the station is faith that the magic that put me and my guardians together chose us for a reason. * This is book two in a steamy new reverse harem paranormal romance series. I was entirely alone, but within myself, and the void it left was one of darkness and chills that ran along every inch of my skin. On the scale of being caked by a minxle to foiling assassinations, everything should have prepared the Queen of Hell for waking up to a handsome stranger, right? After Abaddon ran away with this tail firmly tucked, and Lucy could finally catch her breath, she was prepared to start a new life with the men and family she loved most. But letting her guard down was her first mistake. Losing everything in the blink of an eye seemed like a cliché until it wasn't. How had Abaddon snuck back into the palace? Why had he sent her to a different dimension? And why was this red-headed stranger claiming he was given a secret mission by her grandfather to help her? These are only the start of the headache Lucy has to fight if she wants to survive being ripped away from everything she knows. In a race against her own future, Lucy must trust her instincts now more than ever. As France anxiously awaited a German invasion, Rist traveled to America to negotiate embargo policy. Days after his return to Paris, the German offensive began and with it the infamous season of occupation. Retreating to his villa in Versailles, Rist turned his energies to the welfare of those closest to him, while in his diary he began to observe the unfolding of the war. Here the deeply learned Rist investigates the causes of the disaster and reflects on his country's fate, placing the behavior of the "people" and the "elite" in historical perspective. Though well-connected, Rist and his family and friends were not exempt from the perils and tragedies of war, as the diary makes clear. Season of Infamy presents a distinctive, closely-observed view of life in France under the occupation. Four hunky, supernatural plumbers.One reluctant, slightly drunk human.A match made in heaven .. or in the bathroom, rather. Supernatural law (whoever heard of such a thing anyway?) dictates that since I stumbled upon the guys in their alternate forms, I have to marry them. All four of them. Oh, and apparently one lousy (okay, awesome) night of sex means that I'm an elemental, too-and no amount of magical penicillin can cure this disease. All I wanted was hot running water and toilets that flushed, but now I'm dealing with monsters lurking in the sewers, supernatural politics, and four penniless (but totally hot) plumbers living in my crumbling old Victorian. I'm Ari Smoke, wine aficionado, ex-barista, and a girl who is completely out of her element.Having four hot husbands is nice ... but the death threats, not so much.
