**A Complicated War** Dec 12 2021 Among Africa's suffering is the little-known war in Mozambique, now in its second decade. Finnegan traveled through the country in 1988 to assess the impact of a war waged by guerrillas who are armed and often directed by South Africa. He tells a compelling story of rural misery caused by the war, which in turn offers a fertile ground for its continuation. Finnegan's narrative includes historical background and critical analysis of the Mozambique government whose policies have not created an inclusive framework for the nation. Finnegan is drawn to the conclusion that Mozambique's peasants long have been denied the fruits of peace: first under centuries of Portuguese colonialism; and now as they are exposed to the current war that is destroying their future.

*Survey of English Dialects* Nov 11 2021

Containing around 17,000 headwords and detailed phonetic descriptions, this book makes available for the first time the material gathered by the historic Survey of English Dialects, fully alphabetized. A separate section provides a systematic analysis of the syntactic patterns of various dialects. The book is an indispensable tool for dialectologists worldwide.

The Harrowing Jul 07 2021 Baird College's Mendenhall echoes with the footsteps of students heading home for Thanksgiving break and Robin Stone, who won't be going home, swears she can feel the creepy, hundred-year-old residence hall breathe a sigh of relief for its long-awaited solitude. As a massive storm approaches, four other lonely students reveal themselves to Robin: Patrick, a handsome jock;

Lisa, a manipulative tease; Cain, a brooding musician; and Martin, a scholarly eccentric. Each has forsaken a long weekend at home for their own secret reasons. The five unlikely companions establish a tentative rapport, but they soon become aware of another presence disturbing the building's ominous silence. Are they the victims of an elaborate prank, or is the energy evidence of something genuine - something intent on using them for its own terrifying ends?

**The Harrowing** Feb 14 2022 January, 1916.

William Redmond, soon to join the Chapelton Rifles, wanders with his younger brother Samuel through the old haunts of their childhood - and, there, at the top of the Moor across which they are forbidden to walk, Samuel, for too long trapped in his brother's shadow, stoves William's head in with a stone.

Switching Time Dec 24 2022 "[A]n absorbing journey through a psychiatrist's dauntingly challenging first case of multiple personality

disorder--from the beginning of therapy to stable integration and recovery." -- Colin Ross, author of Multiple Personality Order and The Osiris Complex In 1989, Karen Overhill walks into psychiatrist Richard Baer's office seeking help for her depression and a persistent memory problem: she routinely loses parts of her day, finds herself in places she doesn't remember going to, and is told about conversations she doesn't remember having. While trying to discover the root cause of her memory loss, Baer works to gain Karen's trust, but it's years before he learns the true extent of the trauma buried in her past. What she eventually reveals is nearly beyond belief, a narrative of a childhood spent grappling with unimaginable horror. Then Baer receives an envelope in the mail. It's marked with Karen's return address but contains a letter from a little girl who writes that she's seven years old and lives inside of Karen. Soon Baer receives letters from others claiming to be parts of Karen. Under hypnosis, these alternate Karen

personalities reveal themselves in shocking variety. One “alter” is a young boy filled with frightening aggression; another an adult male who considers himself Karen’s protector; a third a sassy flirt who seeks dominance over the others. It’s only by compartmentalizing her pain, guilt, and fear in this fashion that Karen has been able to function since childhood. Realizing that his patient represents an extreme case of multiple personality disorder, Baer faces the daunting task of creating a therapy that will make Karen whole again. As powerful as *Sybil* or *The Three Faces of Eve*, *Switching Time* is the first complete account of such therapy to be told from the perspective of the treating physician, a stunningly devoted healer who worked selflessly for decades so that Karen could one day live as a single human being.

**Kindred and Wings** Jan 13 2022 On the back of the dragon Wahirangi, Finn the Fox flees the world he has known. As he sets out to find the

brother he never knew of, he still holds in his heart the memory of the Hunter. He has denied his love for her, but he cannot deny it forever. In the halls of the Last Believers, Talyn begins to uncover her own mysteries, but her lust for the death of the Caisah is still strong and clouds her vision. She must choose her path, as the Seer of her people or as the assassin of the overlord. Meanwhile, Byre, Talyn's brother, must venture into the fiery world of the Kindred, to rebuild the pact that his ancestors made. He will risk everything he is as he forms a new pact that will change his people forever. Dragons and myths will be reborn, as the Hunter and her Fox face each other once more.

[Harrowing Hats](#) Jan 01 2021 Working as a hat-maker in the Renaissance Faire Village is pretty sweet for Jessie Morton-until one of the fair's chocolatiers is found drowned in a vat of chocolate in his shop. Now Jessie must sort through a long list of knaves, knights, and wenches who might have wanted to see the

chocolatier double-dipped and dead.

**A Life in Pieces** Feb 26 2023 An unforgettable story of unimaginable suffering and ultimate recovery, 'A Life in Pieces' is the account of life with Multiple Personality Disorder written by the treating psychiatrist.

**The Harrowing of Benjy** Jan 21 2020

Harrowing The Dragon Apr 16 2022 A fantasist without equal, Patricia A. McKillip has created worlds of intricate beauty and unforgettably nuanced characters. For many years, she's drawn readers into her spell, spinning modern-day fables with a grace rarely seen. Now she presents a book of short stories, full of beautiful dragons, rueful princesses, and handsome bards, and written in the gorgeous - and often surprisingly funny - prose she's known for. This is her world, wrapped up in the finery of fairy tales

*Dachau* Aug 20 2022 A U.S. Army doctor describes the fight to save 32,000 survivors of Dachau.

*Harrowing* Aug 08 2021 Emerging from the Crucible, Wylie finds nothing is the same. Alone and stranded in zombie infested territory, he will have to make his way back to the Nathanael County Jail. New friends and new enemies will appear in the struggle to survive. Battling his way through dangerous ground, Wylie will discover that nothing is the same. Betrayal will rock the survivors as they are forced to fight against some of their own to pick up the pieces. Danger looms from every direction each step they take brings them closer to destruction. Overcoming the loss of friends and loved ones will force them to make some very harsh decisions. Decisions that will take them back into the fray among the living dead. Descend into the Harrowing.

[Reading in the Wilderness](#) Aug 28 2020 Just as twenty-first-century technologies like blogs and wikis have transformed the once private act of reading into a public enterprise, devotional reading experiences in the Middle Ages were dependent upon an oscillation between the solitary and the communal. In *Reading in the Wilderness*, Jessica Brantley uses tools from both literary criticism and art history to illuminate Additional MS 37049, an illustrated Carthusian miscellany housed in the British Library. This revealing artifact, Brantley argues, closes the gap between group spectatorship and private study in late medieval England. Drawing on the work of W. J. T. Mitchell, Michael Camille,

and others working at the image-text crossroads, *Reading in the Wilderness* addresses the manuscript's texts and illustrations to examine connections between reading and performance within the solitary monk's cell and also outside. Brantley reimagines the medieval codex as a site where the meanings of images and words are performed, both publicly and privately, in the act of reading.

*Exploring Virtuositities. Heinrich Wilhelm Ernst, Nineteenth-Century Musical Practices and Beyond* Nov 30 2020 Over the last decade, musicological interest in both the composing virtuoso of the nineteenth century and the phenomenon of virtuosity has increased. Moving beyond approaches to music solely in terms of

works allowed for a range of perspectives on concepts of virtuosity to emerge. Such cultural theory-based approaches crucially put the traditional musicological image of the virtuoso into a broader context. Recent advances in performance studies, furthermore, emphasise the need to include factors such as staging, the audience, sound and space, and musical practices, in our understanding of the complex phenomenon of virtuosity. The present volume tries to meet the challenges raised by these multi-layered perspectives by varying the foci on virtuosity - from specific attention to individual virtuosos and considerations of virtuosity's historical and social context to broader questions regarding innovations in the current landscape and future virtuoso phenomena. The broad range of topics centres on the composer and virtuoso Heinrich Wilhelm Ernst and his immediate sphere of influence. The contributions in the present volume not only reveal the complexity of the research field of virtuosity but

also liberate Heinrich Wilhelm Ernst from the shadow of fixed, mainly non-musical, discourses on virtuosity around Paganini. The enclosed CD with recordings by Guillaume Tardif, Philippe Borer, Clive Brown and Friederike Spangenberg enriches these texts by including the dimension of sound.

**The Harrowing of Gwynedd** Mar 15 2022 In an alternate Middle Ages, a new chapter begins in the magnificent fantasy saga of the Deryni, as the magical race faces annihilation by royal enemies and a radical church. These are the darkest days for the Deryni of Gwynedd, the magical race that once ruled this medieval kingdom but now find themselves despised and hunted by the governing regents following the death of King Cinhil. Dead also is Camber of Culdi, who served as the Deryni's most faithful friend in the royal court. With young King Alroy too immature and weak to rule effectively, no one holds the power to halt the reign of genocidal terror that sweeps across the

land—not even Prince Javan Haldane, Alroy’s twin, who recognizes the perfidy of the regents and religious zealots hovering around his royal brother. But there is an equally distressing concern for the surviving children of Camber, whose body remains uncorrupted weeks after his death, suggesting that his soul may be trapped somewhere between earth and heaven—and nothing short of the ultimate sacrifice can set Camber free. Award-winning fantasist Katherine Kurtz continues her chronicles of an extraordinary medieval race in a magnificent series that picks up where her acclaimed Camber of Culdi trilogy left off. A story of intolerance, faith, and courage, rich in character, magic, wonder, and evocative detail, Kurtz’s brilliantly imagined alternate history is one of the shining jewels of fantasy fiction.

**A Life in Pieces** Jan 25 2023 In 1989 a woman named Karen showed up at author and psychiatrist Richard Baer's practice, terribly frightened and at breaking point. She explained

that her husband beat her, her mother stole from her; she was in tremendous physical pain and wanted to die. Within a few sessions she also revealed that her father and grandfather had raped and tortured her repeatedly over the course of her childhood, frequently in the company of other neighbourhood men. She was now married with two children, but often could not account for stretches of minutes, hours, sometimes even days. As Karen's story unfolded over the following months, Baer realised that he was dealing with a severe case of Multiple Personality Disorder. Although it would take time and deep, hard-won trust before any of Karen's alternated personalities presented themselves in her psychiatrist's office, over the next five years Baer would encounter seventeen distinct personalities, all of whom had been living inside Karen since she was a young child, shielding her from an otherwise unbearable life. In the tradition of Oliver Saks and Irvin Yalom, Baer chronicles his nine years of work with

Karen and all her distinct personalities, his often futile efforts to use the tools of his trade, and his patient's ultimate invention of her own cure. An unforgettable story of unimaginable suffering and ultimate recovery, *A Life In Pieces: How One Woman's Personality was Shattered by Years of Abuse* is the first account of life with Multiple Personality Disorder written by the treating psychiatrist.

*Harrowing Echoes* May 05 2021 The demon armies have returned, and the world was not prepared to face them. Each bearing a piece of the sacred light, Corin and Olenka have finally found the power to defend their people. But the demon scourge is spreading fast, and there are few places of refuge left in the endless storm. Very soon, there may be no one left to save amid the breathless hordes of infected. Unless the

world can come together. But the stone giants of Shan Zhong are not easily swayed. Now Corin must prove himself to the children of the mountains, a race so ancient that they remember the first yokai calamity... ..as well as Vallin's failure to end it. To the south, Olenka races from the safety of the sacred city to rescue a doomed fleet on a sick sea, but help is hard to come by on the blackened tides of a tainted ocean.

Should she place her trust in her own finite strength, or in the bloody hands of pirates who claim noble intent? Either way, the future is filled with the harrowing echoes of the past. What readers are saying about *Harrowing Echoes*: "Benjamin Schwarting continues his engaging coming of age fantasy! A well written story...the characters and world are well fleshed out and interesting. I look forward the next series from Benjamin!" — Nemesis Reviews on Goodreads

*Hurt* Jun 06 2021 *Hurt* tells the deeply moving stories of parents after they discover their child

has been sexually abused. Julia Webb-Harvey beautifully narrates and facilitates parents' exploration of the truly horrible experiences - the devastation, struggles and crushing isolation - and how they set about remaking their own lives and those of their families. Hurt tells it like it is, tackling the social taboo of childhood sexual abuse. Hurt is a must for survivors and clinicians alike - showing the reality of childhood sexual abuse whilst also giving the parent/carer suffering the aftermath of sexual abuse hope and support.

**The Harrowing** May 17 2022 Five strangers. Five secrets. No refuge. No turning back. In the aftermath of 1066, a Norman army marches through the North of England: burning, killing and laying waste to everything in its path. The Harrowing has begun. As towns and villages fall to the invaders, five travellers fleeing the slaughter are forced to band together for survival. Refugees in their own country, they journey through the wasteland, hoping to find

sanctuary with the last stand of the Saxon rebellion. But are they fleeing the Normans or their own troubles? Priest, Lady, Servant, Warrior, Minstrel: each has their own story; each their own sin. As enemies past and present close in, their prior deeds catch up with them and they discover there is no sanctuary from fate.

**Finley Peter Dunne and Mr. Dooley** Sep 09 2021 Finley Peter Dunne, American journalist and humorist, is justly famous for his creation of Mr. Dooley, the Chicago Irish barkeep whose weekly commentary on national politics, war, and human nature kept Americans chuckling over their newspapers for nearly two decades at the beginning of this century. Largely forgotten in the files of Chicago newspapers, however, are over 300 Mr. Dooley columns written in the 1890s before national syndication made his name a household word. Charles Fanning offers here the first critical examination of these early Dooley pieces, which, far better than the later

ones, reveal the depth and development of the character and his creator. Dunne created in Mr. Dooley a vehicle for expressing his criticism of Chicago's corruption despite the conservatism of most of his publishers. Dishonest officials who could not be safely attacked in plain English could be roasted with impunity in the "pure Roscommon brogue" of a fictional comic Irishman. In addition, Dunne painted, through the observations of his comic persona, a vivid and often poignant portrait of the daily life of Chicago's working-class Irish community and the impact of assimilation into American life. He also offered cogent views of American urban political life, already dominated by the Irish as firmly in Chicago as in other large American cities, and of the tragicomic phenomenon of Irish nationalism. Mr. Fanning's penetrating examination of these early Dooley pieces clearly establishes Dunne as far more than a mere humorist. Behind Mr. Dooley's marvelously comic pose and ironic tone lies a wealth of material germane to the social

and literary history of turn-of-the century America.

Breaking Away Mar 23 2020 In the tradition of *Playing with Fire* and *The Crazy Game* comes a new memoir about a troubled hockey life. Patrick O'Sullivan was a kid with skills, with natural gifts that catapulted him into the spotlight and made NHL scouts rave. O'Sullivan seemed destined to become one of the next great hockey players in the world. But then it all went horribly wrong. In *Breaking Away*, Patrick O'Sullivan gives readers a disturbing account of ten years of ever escalating physical abuse and emotional cruelty at the hands of his father. When Patrick proved more skilled than other eight-year-olds, John O'Sullivan decided to dedicate his life to turning his son into the player he had always dreamed of becoming. Shouting at the top of his lungs, John O'Sullivan was the over-involved parent. Many of Patrick's teammates and their parents and coaches thought it ended there. Few had an idea of the

dysfunction and violence at the O'Sullivan's home. *Breaking Away* is a story about abuse, but it is also a story about triumph, as O'Sullivan revisits the ghosts of his past.

Remaining Karen Oct 30 2020 This publication of REMAINING KAREN is intended as a tribute to Ananda Raja and his consummate skills as an ethnographer. It is also a tribute to his long-term engagement in the study of the Karen.

REMAINING KAREN was Ananda Raja's first focused study of the Sgaw Karen of Palokhi in northern Thailand, which he submitted in 1986 for this PhD in the Department of Anthropology in the Research School of Pacific and Asian Studies at The Australian National University. It is a work of superlative ethnography set in an

historical and regional context and as such retains its value to the present.

*Squire Hellman* Jul 27 2020 The publication of this book in 1893 marked the first time that a translation into English had occurred from modern Finnish literature. These four deeply contrasting pieces from the pen of Juhani Aho, one of the founding fathers of that new national consciousness, are remarkable in their combination of rustic settings and strange psychological subtlety. The title-piece is both harrowing and humorous. Squire Hellman is an angry fiend of a man, bellowing constantly at his wife and servants, as well as all local dignitaries, and whipping his horses in a frenzy if he gets frustrated. One day, at a taxation court, he impatiently lets loose one too many times! The bailiff and a local captain decide that it's time he paid for his social crimes, and devise a cunning way to force him to recant. The other three pieces are sketches of rural life, delineating with unusual intensity psychological situations where

it is the characters' mindset which creates the drama: When Father Brought Home the Lamp about the coming of technology and the modern age; Pioneers about how heartbreakingly Finland's wilds were settled; and Loyal about young love and the resisting of temptation. Juhani Aho wrote many of these subtle and revealing shorter pieces, giving them a name and category of their own - splinters. This edition includes the original introduction by the translator, R. Nisbet Bain, which not only introduces the author, but also gives a fascinating summary of Finnish literature as it stood at the fin de siecle.
