Praise for Dinner: The Playbook "Your hard-to-please crew will wolf down these inventive ways to introduce 'fancy' foods. Jenny Rosenstrach created them for her family, and she swears you'll be shocked by the clean plates. . . . Dinner: The Playbook mixes 'You can do this' inspiration, practical planning, and easy recipes [with] hard-earned wisdom for getting a kid-pleasing meal on the table, night after night."—Redbook "The master of simple, low-stress cooking. You might know her from her blog, Dinner, A Love Story; her new book, Dinner: The Playbook, is full of the same secret strategies for busy women."—Glamour "Families and novice cooks who accept Rosenstrach's challenge will definitely find a few 'keepers' here."—Library Journal "Jenny Rosenstrach has truly mastered the art of the happy family dinner. This is the most sensible advice on cooking for kids I've ever seen: no gimmicks, no tricks, just practical advice for working parents. I wish this book had been around when my son was small."—Ruth Reichl "This book is for anyone who loves the promise of a home-cooked dinner but gets bogged down by the day-to-day reality of it: picky kids, picky spouses, the extinction of the nine-to-five workday, and the pressure—oh, the pressure—to get it on the table

before everyone collapses into a hangry (hungry + angry) meltdown. Which is to say that this book is for me, me, me. And I bet it's for you too."—Deb Perelman, author of The Smitten Kitchen Cookbook "Well, Jenny Rosenstrach, on the behalf of my whole family, thanks for the most practical—and yet still inspired—cookbook on our shelf. You are singularly responsible for my return to the kitchen."—Kelly Corrigan, author of Glitter and Glue "Jenny Rosenstrach is warm, wise and a genius when it comes to dinners."—Joanna Goddard, blogger, A Cup of Jo Low-fat, lower-calorie bulk cooking from bestselling author Deborah Taylor-Hough. Through the bestselling cookbook Frozen Assets, Deborah Taylor-Hough became known as the "'once-a-month'" cooking expert. She taught people how to increase time at the family table while decreasing time in the kitchen and drive-thru lanes. She also saved more than \$24,000 over a five-year period and taught readers to do the same. In Frozen Assets Lite and Easy, Taylor-Hough is back with a book of lowfat, lower-calorie meal plans that use the same time-saving and cost-effective methods. Why cook every night when you can cook once a week for seven (or more) delicious, healthy, family-approved meals? Frozen Assets Lite and Easy shows readers how to be healthy while still saving time and money, with shopping lists, recipes, and detailed instruction on how to make freezer cooking work for you. "LOVE". Every recipe has been tried and true. Most of these recipes were favorites of children, grandchildren, and great grandchildren. I always made each month a holiday. Of course, we celebrated the calendar holidays, but every month had a special meaning. Any reason for an occasion, I'm in! This recipe book is not by categories - IT'S BY MONTHS! I am sure everyone had many special months out of a year to make it a special occasion. All of my recipes, and those of my family recipes, are special dishes I prepared for that very special month. A few of the special recipes include: Cannolis Eggplant Manicotti Jalapeno Cornbread Beef Kwangtung Rose Petal Salad Chicken & Sausage Gumbo Matzo Balls Noodles & Spinach Romanoff Zucchini Vermicelli Casserole Scallopini Marsala Rocky Road Fudge Brownies Rum Balls Yuletide Dip Creme De Menthe Cupcakes I was very fortunate that I grew up in a loving family that was very close and was all about food. My mother cooked three meals a day and always had a homemade dessert with dinner every night. The smell of homemade bread as you walk in the house - I will never forget those memories! She was a wonderful and talented cook, or should I say Chef, so this is where I received my passion for cooking. My dad was also a great cook. My dad was so happy when he would invite his friends and family for dinner. My mother would say, "You are going to wear me out!" But she truly loved it also. Enjoy these recipes. It's my pleasure to share them with you. - Bonnie Bonanno East Make a meal having a PERFECT NUTRITION RATIO of STARCH, PROTEIN, FAT, AND VITAMIN with 31 MACARONI RECIPES! Today's Special Price! Besides the delicious taste, the macaroni from Italy is also a very good dish for health. Because made of starch, macaroni is a very good source of carbohydrate. Carbohydrate provides us with sugar, an essential ingredient for the activities of brain and muscles. The sugar in macaroni does not increase the body blood sugar. Starch helps us to easier digest and be full longer. Besides, macaroni is often processed along with many kinds of vegetables, cheese, fish, and meat. Eating a

plate of macaroni also means that you are having a meal with a quite perfect ratio of starch, protein, fat, and vitamin. This is the reason why macaroni is called the "balanced diet for the body"! It is both delicious and nutritious, with nice look and various tastes. So why should we deny choosing it for a try? More than that, however, Broomfield offers an introduction to the world of everyday dining, food preparation, and nutrition during one of the most interesting periods of English history. Food procurement, kitchen duties, and dining conventions were almost always dictated by one's socioeconomic status and one's gender, but questions still remain. Who was most likely to dine out? Who was most likely to be in charge of the family flatware and fine china? Who washed the dishes? Who could afford a fine piece of meat once a week, once a month, or never? How much did one's profession dictate which meal times were observed and when? All these questions and more are answered in this illuminating history of food and cooking in Victorian England. - Buying ingredients in bulk
- Piggybacking recipes that share common ingredients
- Built-in allowance for flexibility/substituting your family's favorites
- Inexpensive and easy recipes

Two companion BIG COOKING modified mini versions are also included that can be prepared in just a few hours (one featuring ground beef, one featuring chicken).
