The Allure of a Predator Mar 21 2020 James Fairchild works for a major media company when he meets the woman of his dreams. Marlene is incredibly intelligent, stunningly beautiful, and uses her sexuality to allure men into her deceptive, psychological game. James finds himself married to this mysterious woman with a twisted past and he's determined to play the game long enough to discover Marlene's motive. Allure of a Predator will have you examining the intricacies of your own life!

German Jewry and the Allure of the Sephardic Mar 01 2021 In the eighteenth and nineteenth centuries, as German Jews struggled for legal emancipation and social acceptance, they also embarked on a program of cultural renewal, two key dimensions of which

were distancing themselves from their fellow Ashkenazim in Poland and giving a special place to the Sephardim of medieval Spain. Where they saw Ashkenazic Jewry as insular and backward, a result of Christian persecution, they depicted the Sephardim as worldly, morally and intellectually superior, and beautiful, products of the tolerant Muslim environment in which they lived. In this elegantly written book, John Efron looks in depth at the special allure Sephardic aesthetics held for German Jewry. Efron examines how German Jews idealized the sound of Sephardic Hebrew and the Sephardim's physical and moral beauty, and shows how the allure of the Sephardic found expression in neo-Moorish synagogue architecture, historical novels, and romanticized depictions of Sephardic history. He argues that the shapers of German-Jewish culture imagined medieval Iberian Jewry as an exemplary Jewish community, bound by tradition yet fully at home in the dominant culture of Muslim Spain. Efron argues that the myth of Sephardic superiority was actually an expression of withering self-critique by German Jews who, by seeking to transform Ashkenazic culture and win the acceptance of German society, hoped to enter their own golden age. Stimulating and provocative, this book demonstrates how the goal of this aesthetic self-refashioning was not assimilation but rather the creation of a new form of German-Jewish identity inspired by Sephardic beauty.

Incompatibilism's Allure Jan 19 2020 The role of freedom in assigning moral responsibility is one of the deepest problems in metaphysics and moral theory. Incompatibilism's Allure provides original analysis of the principal arguments for incompatibilism. Ishtiyaque Haji incisively examines the consequence argument, the direct argument, the deontic argument, the manipulation argument, the impossibility argument and the luck objection. He introduces the most important contemporary discussions in a manner accessible to advanced undergraduates, but also suited to professional philosophers. The result is a unique and

compelling account for incompatibilism's continuing allure.

Allure Dec 30 2020

Lure (The Allure Chronicles #1) Mar 13 2022 There's danger in the beauty... Two years, six months, and twenty-five days. That's how long it had been since I'd seen my winged hero— not that I'd been counting. I'd suffered through years of counseling just to convince my friends and family that I wasn't crazy and knew he didn't exist. But he did. And I was done waiting. Days after college graduation I headed back down to New Orleans to retrace my steps and find Owen again only to find my life was about to get even crazier... thanks to the most beautiful and dangerous of all paranormal creatures, the Allures. *New Adult Paranormal Romance*

***Ever Ancient, Ever New Aug 26 2020* For many years now, the church in North America has heard figure after figure concerning the steady flow of young people leaving the church. In the midst of these troubling figures, there remains a glimmer of hope for these youth as they transition into young adults. *Ever Ancient, Ever New* tells the story of a generation of younger Christians from different backgrounds and traditions who are finding a home and a deep connection in the church by embracing a liturgical expression of the faith. Author and teacher Winfield Bevins introduces you to a growing movement among younger Christians who are returning to historic, creedal, and liturgical reflections of Christianity. He unpacks why and how liturgy has beckoned them deeper into their experience of Jesus, and what types of churches and communities foster this "convergence" of old and new. Filled with stories illustrating the excitement and joy many young adults have found in these ancient expressions of Christianity, this book introduces you to practices and principles that may help the church as it seeks to engage our postmodern world.**

Gold Oct 16 2019

***The Allure of Decadent Thinking Nov 09 2021* The use of**

postmodern thought to approach the study of religion threatens to call into question the values and representational mode of thinking typical of the field. Religious studies with a radical scepticism grounded in an embrace of decadence by postmodern thinkers has the potential to undermine, subvert, and distort the study of religion, making it difficult to understand the subject if such an approach is uncritically adopted by scholars seeking new ways to study it.

The Allure of Nezahualcoyotl Dec 22 2022 Lee offers a more realistic portrait of the legendary Aztec ruler Nezahualcoyotl, derived from examination of original Nahuatl codices and poetry, as well as Spanish chronicles.

The Allure of Battle Nov 28 2020 "History has tended to measure war's winners and losers in terms of its major engagements, battles in which the result was so clear-cut that they could be considered "decisive." Cannae, Konigsberg, Austerlitz, Midway, Agincourt-all resonate in the literature of war and in our imaginations as tide-turning. But these legendary battles may or may not have determined the final outcome of the wars in which they were fought. Nor has the "genius" of the so-called Great Captains--from Alexander the Great to Frederick the Great and Napoleon--played a major role. Wars are decided in other ways. Cathal J. Nolan's The Allure of Battle systematically and engrossingly examines the great battles, tracing what he calls "short-war thinking," the hope that victory might be swift and wars brief. As he proves persuasively, however, such has almost never been the case. Even the major engagements have mainly contributed to victory or defeat by accelerating the erosion of the other side's defences. Massive conflicts, the so-called "people's wars," beginning with Napoleon and continuing until 1945, have consisted of and been determined by prolonged stalemate and attrition, industrial wars in which the determining factor has been not military but material. Nolan's masterful book places battles squarely and mercilessly within the context of the wider conflict

in which they took place. In the process it help corrects a distorted view of battle's role in war, replacing popular images of the "battles of annihilation" with somber appreciation of the commitments and human sacrifices made throughout centuries of war particularly among the Great Powers. Accessible, provocative, exhaustive, and illuminating, The Allure of Battle will spark fresh debate about the history and conduct of warfare."--Provided by publisher.

Allure: Confessions of a Beauty Editor Jan 23 2023 Published to coincide with "Allure" magazine's 15th anniversary, the editor-in-chief shares the best tips, tricks, and secrets she has acquired on the job.

The Ambiguous Allure of the West Dec 10 2021 The Ambiguous Allure of the West examines the impact of Western imperialism on Thai cultural development from the 1850s to the present and highlights the value of postcolonial analysis for studying the ambiguities, inventions, and accommodations with the West that continue to enrich Thai culture. Since the mid-nineteenth century, Thais have adopted and adapted aspects of Western culture and practice in an ongoing relationship that may be characterized as semicolonial. As they have done so, the notions of what constitutes "Thainess" have been inflected by Western influence in complex and ambiguous ways, producing nuanced, hybridized Thai identities. The Ambiguous Allure of the West brings together Thai and Western scholars of history, anthropology, film, and literary and cultural studies to analyze how the protean Thai self has been shaped by the traces of the colonial Western Other. Thus, the book draws the study of Siam/Thailand into the critical field of postcolonial theory, expanding the potential of Thai Studies to contribute to wider debates in the region and in the disciplines of cultural studies and critical theory. The chapters in this book present the first sustained dialogue between Thai cultural studies and postcolonial analysis. By clarifying the distinctive position of semicolonial societies such as Thailand in

the Western-dominated world order, this book bridges and integrates studies of former colonies with studies of the Asian societies that retained their political independence while being economically and culturally subordinated to Euro-American power.

The Allure of Gnosticism May 23 2020 Gnosticism or Gnosis is far more than an ancient religious movement with Christian, Jewish, and pagan followers. It is a living presence today, in many religions and also completely outside formal religion. The Allure of Gnosticism is a collection of 16 outstanding essays, illuminating Gnosticism in its relation to such issues as Jungian thought, the nature of evil, the place of the feminine, communism and fascism, existentialism, Christian scriptures, Kafka, and Buddhism.

The Allure of Toxic Leaders Nov 21 2022 Toxic leaders, both political, like Slobodan Milosevic, and corporate, like Enron's Ken Lay, have always been with us, and many books have been written to explain what makes them tick. Here leadership scholar Jean Lipman-Blumen explains what makes the followers tick, exploring why people will tolerate--and remain loyal to--leaders who are destructive to their organizations, their employees, or their nations. Why do we knowingly follow, seldom unseat, frequently prefer, and sometimes even create toxic leaders? Lipman-Blumen argues that these leaders appeal to our deepest needs, playing on our anxieties and fears, on our yearnings for security, high self-esteem, and significance, and on our desire for noble enterprises and immortality. She also explores how followers inadvertently keep themselves in line by a set of insidious control myths that they internalize. For example, the belief that the leader must necessarily be in a position to "know more" than the followers often stills their objections. In addition, outside forces--such as economic depressions, political upheavals, or a crisis in a company--can increase our anxiety and our longing for charismatic leaders. Lipman-Blumen shows how

followers can learn critical lessons for the future and survive in the meantime. She discusses how to confront, reform, undermine, blow the whistle on, or oust a toxic leader. And she suggests how we can diminish our need for strong leaders, identify "reluctant leaders" among competent followers, and even nurture the leader within ourselves. Toxic leaders charm, manipulate, mistreat, weaken, and ultimately devastate their followers. The Allure of Toxic Leaders tells us how to recognize these leaders before it's too late.

The Allure of Battle Feb 12 2022 History has tended to measure war's winners and losers in terms of its major engagements, battles in which the result was so clear-cut that they could be considered "decisive." Cannae, Konigsberg, Austerlitz, Midway, Agincourt-all resonate in the literature of war and in our imaginations as tide-turning. But these legendary battles may or may not have determined the final outcome of the wars in which they were fought. Nor has the "genius" of the so-called Great Captains - from Alexander the Great to Frederick the Great and Napoleon - play a major role. Wars are decided in other ways. Cathal J. Nolan's The Allure of Battle systematically and engrossingly examines the great battles, tracing what he calls "short-war thinking," the hope that victory might be swift and wars brief. As he proves persuasively, however, such has almost never been the case. Even the major engagements have mainly contributed to victory or defeat by accelerating the erosion of the other side's defences. Massive conflicts, the so-called "people's wars," beginning with Napoleon and continuing until 1945, have consisted of and been determined by prolonged stalemate and attrition, industrial wars in which the determining factor has been not military but matériel. Nolan's masterful book places battles squarely and mercilessly within the context of the wider conflict in which they took place. In the process it help corrects a distorted view of battle's role in war, replacing popular images of the "battles of annihilation" with somber appreciation of the

commitments and human sacrifices made throughout centuries of war particularly among the Great Powers. Accessible, provocative, exhaustive, and illuminating, The Allure of Battle will spark fresh debate about the history and conduct of warfare.

Allure of the Incomplete, Imperfect, and Impermanent Jul 25 2020
Architects have long operated based on the assumption that a building is 'complete' once construction has finished. Striving to create a perfect building, they wish for it to stay in its original state indefinitely, viewing any subsequent alterations as unintended effects or the results of degeneration. The ideal is for a piece of architecture to remain permanently perfect and complete. This contrasts sharply with reality where changes take place as people move in, requirements change, events happen, and building materials are subject to wear and tear. Rumiko Handa argues it is time to correct this imbalance. Using examples ranging from the Roman Coliseum to Japanese tea rooms, she draws attention to an area that is usually ignored: the allure of incomplete, imperfect and impermanent architecture. By focusing on what happens to buildings after they are 'complete', she shows that the 'afterlife' is in fact the very 'life' of a building. However, the book goes beyond theoretical debate. Addressing professionals as well as architecture students and educators, it persuades architects of the necessity to anticipate possible future changes and to incorporate these into their original designs.

Understanding Suicide's Allure: Steps to Save Lives by Healing Psychological Scars Apr 14 2022
This book explains why suicide can be alluring to a person aiming to stop his or her traumatic pain—whether its source is bullying, sexual assault, war combat, or other PTSD-invoking events—and details approaches that can prevent suicide. Suicide has been a taboo topic in Western culture. The mere mention of suicide sparks reactive responses that include medical, moral, spiritual, and religious debates. As a result, the authors open an important discussion here, offering an honest and non-judgmental examination of the many aspects

involved in the nature of suicide, explaining that above all, people need to learn how to support those struggling with suicidal thoughts or to intercept their own suicidal thinking. The book also includes an extensive review and evaluation of the many available mental health treatments. Special consideration is given to military suicides. U.S. soldier suicides exceed one per day and continue to rise in all military branches, while veteran suicide rates are even higher, averaging 17 per day. Communities, families, veterans, and service members are in need of tools and insights for coping with, navigating, and exposing the suicidal attitudes affecting many current and former members of the military. Incorporates academic research, media coverage, and the authors' personal experiences Includes topics associated with forms of suicide not widely addressed in other books, including evolutionary psychology, traumatic brain injury, prescription drug side-effects, and shamanism Addresses suicide in the general population as well as within the cadre of some of the nation's newest veterans—those who served in the Afghanistan and Iraq wars

Allure Oct 08 2021 Legendary fashion maven Diana Vreeland at the urging of her editor Jackie Oauthored a classic volume in the 1980s on the quality of "allure" in fashion and in life. He puts her in embarrassing situations because she can't resist him. He even gets her fired! But despite it all, there's something else that makes up for the problems. He really, really loves her. Is that enough? Can he love her enough to make up for the fact that she can't say no to him and he gets her into all sorts of trouble? Can he actually help her after hurting her so much? Or is she gonna have to cut him loose as a guilty pleasure she can't afford? Discover what happens in this thrilling contemporary romance! **Previously titled: Angie's Allure.**

The Allure of and the Retreat from Heresy Jan 31 2021

The Allure of the Archives Jul 17 2022 ***DIVArlette Farge's Le Goût de l'archive is widely regarded as a historiographical classic. While combing through two-hundred-year-old judicial records from the Archives of the Bastille, historian Farge was struck by the extraordinarily intimate portrayal they provided of the lives of the poor in pre-Revolutionary France, especially women. She was seduced by the sensuality of old manuscripts and by the revelatory power of voices otherwise lost. In The Allure of the Archives, she conveys the exhilaration of uncovering hidden secrets and the thrill of venturing into new dimensions of the past. Originally published in 1989, Farge's classic work communicates the tactile, interpretive, and emotional experience of archival research while sharing astonishing details about life under the Old Regime in France. At once a practical guide to research methodology and an elegant literary reflection on the challenges of writing history, this uniquely rich volume demonstrates how surrendering to the archive's allure can forever change how we understand the past./div***

Allure Jul 05 2021

The Allure of Fungi Jun 04 2021 Although relatively little known, fungi provide the links between the terrestrial organisms and ecosystems that underpin our functioning planet. The Allure of Fungi presents fungi through multiple perspectives – those of mycologists and ecologists, foragers and forayers, naturalists and farmers, aesthetes and artists, philosophers and Traditional Owners. It explores how a history of entrenched fears and misconceptions about fungi has led to their near absence in Australian ecological consciousness and biodiversity conservation. Through a combination of text and visual essays, the author reflects on how aesthetic, sensate experience deepened by scientific knowledge offers the best chance for understanding fungi, the forest and human interactions with them.

The Allure of Sports in Western Culture Aug 18 2022 Sports are the most popular spectator events in the history of the world. This volume demonstrates how sports shape societies and individuals. The essays offer critical new insights and historical case studies from historians, theorists, literature scholars, and athletes.

The Allure of Order Jan 11 2022 Explores why reformers from both the left and right have repeatedly placed such high hopes in these reforms and why teachers and schools have been unable to

resist these external reformers.

Mary McDonald: Interiors Jun 23 2020 In her first book, award-winning interior designer Mary McDonald inspires readers to combine old-fashioned elegance with the joy of fearless, exuberant decorating. Consistently ranked one of House Beautiful's top 100 designers, L.A.-based Mary McDonald's gorgeous, feminine interiors have graced the cover of every major design magazine. Dubbed the "decorating daredevil" by Domino magazine, McDonald began her career as a milliner and retains a sense of "couture chic" that inspires the look of her interiors, which are simultaneously timeless and of the moment. Her ability to combine bold patterns, chinoiserie, and Indian influences with contemporary lines and an impeccable sense of color has made her one of the most sought-after interior designers working today. Now in her first book, as vibrant and whimsical as Mary and her work, McDonald explores the themes that inform her stylish yet playful sensibility. From her own refurbishment of Buster Keaton's legendary villa to a stunning range of client projects, McDonald carefully details the colors, fabrics, and accessories she uses to seamlessly pull each look together. Exquisitely photographed, this vivid book is a must for anyone who loves sophisticated, ravishing interiors.

The Allure of Gentleness Oct 28 2020 The revered Christian author whose bestselling classics include *The Divine Conspiracy* and *The Spirit of the Disciplines* provides a new model for how we can present the Christian faith to others. When Christians share their faith, they often appeal to reason, logic, and the truth of doctrine. But these tactics often are not effective. A better approach to spread Christ's word, Dallas Willard suggests, is to use the example of our own lives. To demonstrate Jesus's message, we must be transformed people living out a life reflective of Jesus himself, a life of love, humility, and gentleness. This beautiful model of life—this allure of gentleness—Willard argues, is the foundation for making the most compelling

argument for Christianity, one that will convince others that there is something special about Christianity and the Jesus we follow.

Brutal Allure May 15 2022

The Allure of Chanel Sep 26 2020 The story of Coco Chanel s life, as told by her to Paul MorandCoco Chanel invited Paul Morand to visit her in St Moritz at the end of the Second World War when he was given the opportunity to write her memoirs; his notes of their conversations were put away in a drawer and only came to light one year after Chanel's death. Through Morand's transcription of their conversations, Chanel tells us about her friendship with Misia Sert, the men in her life - Boy Capel, the Duke of Westminster, artists such as Diaghilev, her philosophy of fashion and the story behind the legendary Number 5 perfume...The memories of Chanel told in her own words provide vivid sketches and portray the strength of Coco's character, leaving us with an extraordinary insight into Chanel the woman and the woman who created Chanel.'It's an interesting memoir because it s all about what she thinks not what she did.' --David Patrick Columbia, The New York Social Diary'Morand was a citizen of the world, with a sharp eye and a neat turn of phras-- The Tablet'This enchanting, tiny book is the closest anyone can get to a face-to-face with Coco. It's written in her voice ('that voice that gushed forth from her mouth like lava') and in her words ('those words that crackled like dried vines'), and though it's full of lies, omissions and contradictions, there's enough raw truth in it to reflect the extraordinary woman who was Chanel, even though glimpsed shard by shard in a broken mirror.' --The Spectator'Paul Morand recaptures a WWII-era conversation between the author and the fashion icon. --Publisher's Weekly'Reads beautifully ... this enchanting book is the closest anyone can get to a face-to-face with Coco... written in her voice and in her words.'--The Spectator 'Without a doubt the best French writer of the 20th century.' Philippe Sollers'Morand was the all-round aesthete.' Nicholas Lezard, The Guardian'Admired both by Ezra Pound and by Marcel

Proust as a pioneer craftsman of Modernist French prose (...) The sheer shapeliness of his prose recalls Hemingway; the urbanity of his self-destructiveness compares with Fitzgerald's; and his camera eye is as lucidly stroboscopic as that of Dos Passos. He is, like Victor Segalen, Blaise Cendrars, Valery Larbaud, and Saint-John Perse, one of the great nomads of 20th-century French literature, racing through the apocalypse with the haste and glamor of an Orient Express. It is a pity we should have had to wait this long to catch up with him.'--The New York Times; Paul Morand was born in Paris in 1888 and after studying at the Ecole des Science Politiques he joined the diplomatic corps, serving in London, Rome, Berne and Bucharest. His first collection of stories Tender Shoots (Tendres Stocks, 1921), had an introduction by his friend Marcel Proust. In a long and busy life, he found time to write poetry, novels, short stories and travel books. Morand was made a member of the Academie Francaise in 1963. He was married to the Romanian princess Helene Soutzo, and he died in 1976.

Allure Sep 19 2022 The rockets launch day and night, without ceasing, without fail—even on Christmas. In twelve hours, Sara's fiancée Ash must board one of them and leave her behind forever; Government duty calls. So Sara vows to ensure their last night on Earth together sticks in their memories forever. A sweet romance about the lengths we go to for love.
