This set of three books from the internationally best-selling Little People, BIG DREAMS series introduces little dreamers to the lives of these incredible women who worked in the field of science...and changed the world. In these remarkable true stories, learn how three women overcame hardship to achieve great success in science. Ada—despite growing up without a father and becoming very sick with measles as a child—went on to become the world's first computer programmer. Amelia challenged conventional stereotypes, showing the world how brave and adventurous a woman could be by setting aviation records and undertaking dangerous flying missions. Marie Curie was unable to go to college because she was a woman, but became a renowned scientist and eventually won the Nobel Prize for Physics. Each of these moving books features stylish and quirky illustrations and extra facts at the back, including a biographical timeline with historical photos and a

detailed profile of the woman's life. *Little People, BIG DREAMS* is a best-selling series of books and educational games that explore the lives of outstanding people, from designers and artists to scientists and activists. Schmidt, Cecy Robson’s *Carolina Beach* series has everything: unbridled passion, second chance love, millionaire romance, and laugh out loud humor. All three books are connected by the close friendships and love they share on beautiful Kiawah Island, in South Carolina. Now all three novels—*Inseverable*, *Eternal*, and *Infinite*—are together in one steamy eBook bundle.

INSEVERABLE Callahan is a former army sniper who wants to make an escape from his past and everything he experienced at war. When he inherits a house on South Carolina’s Kiawah Island, he packs his bags, believing he will finally have the peace and seclusion he craves. Unfortunately, Callahan never counted on meeting Trinity. She is a native who has returned to Kiawah for one last memorable summer with friends before leaving for the Peace Corps. Callahan doesn’t want to get close to anyone—let alone Trinity. He finds her perkiness insufferable and her attempts to entice his smile distracting. After all, he’s in Kiawah to leave all feelings behind. But when it comes to Trinity, who feels everything, it’s hard not to feel something. Neither expected to fall in love. And no one could have predicted how inseverable they’d become.

ETERNAL After months of bad luck and even worse men, Luciana Diaz just wants to crawl under the covers and forget the year ever happened. Her friend has other plans, convincing Luci to attend a New Year’s Eve party on the affluent shores of Kiawah Island. Luci never expected to

have fun. She also never expected to wake up next to Landon Summers, a man she just met. Unfortunately, she soon finds out that this man happens to be the new attorney at her firm! After an ugly separation and even worse divorce, Landon has no desire to jump into another relationship. Neither Luci nor Landon planned on meeting each other, and they definitely didn't plan on love. But the New Year means a fresh start, and eternal possibilities neither can deny . . .

INFINiTE Hale Wilder and Becca Shields grew up together on Kiawah Island. They were close in high school but have not seen each other since that humiliating night long ago when her family caught them on the beach, barely clothed. He strived to be the best student and the best athlete and grew into a successful businessman taking the finance world by storm. Hale is rich, powerful, and seemingly unstoppable. That is until a company scandal threatens to destroy his reputation and bring down everything he has worked for. Becca is now a kickass public relations goddess spinning scandals into gold and launching has-beens into superstardom. She never expected to see Hale again. But, when Becca discovers Hale is in trouble, she can't turn her back on the boy who was once her world and the man she never forgot. Hale never thought he'd have another shot at greatness or with Becca. Now that he has both, he won't let either go without a fight. *Choices of Fate* - Alexa Ryan has a comfortable life, but an unusual condition forces her to keep the world, and all hope of love, at a distance. Ethan Kellar spent his long life running from his destiny, from his role in changing the fate of the world. Until the night Alexa falls into his arms. Believing she is the key to escaping his fate, Ethan gives in to their intense physical attraction only to discover that in trying to cheat destiny, he set it in motion. So he does the only thing he can to save them both. He walks away. Consumed by grief, Alexa is lost until she learns her brief encounter with love resulted in a child. When that child falls ill, her search for answers leads her back to Ethan and thrusts her into his dark and mysterious world, unlocking the secrets of her past and revealing threats to their future. Together, they fight to protect their love, but one battle remains that Ethan must fight alone as he struggles to choose his own path and avoid the choices of fate. *Redemption of Fate* - When Ethan Kellar awakens in the dark he struggles to remember who or where he is. His mind and body feel foreign, like a flesh and blood prison, until he discovers the

lifeless form of his beautiful wife, Alexa, in his arms. On mandatory lockdown at the Elite compound, Cami Kline has never felt more trapped in the place she's called home for nearly two centuries. Trapped by fear for her missing brother, Ethan, and by the unwanted, yet undeniable, attraction to her cocky new brother-in-law, Jared. When the body of one of their kind is discovered by humans, the Elite are forced to intervene, giving Cami a reprieve as she leads the team to retrieve the body and clean up the mess before the race is exposed. Meanwhile, through a forced blood bond, Lucias uses Ethan in his quest to rule humans and vampires alike. Unbeknownst to Lucias and despite Alexa's death, the mate bond remains keeping a small part of Ethan beyond Lucias' control, but will he eventually give in to the darkness or will it be enough to redeem him. *Absolution of Fate* - After his wife was ripped away along with his free will, Ethan is forced to watch a monster walk away with his only daughter. Locked in a cell, the last shred of the man he was slips away. Meanwhile, the woman he thought he lost is fighting her way back to him. Having sacrificed herself to save those she loves, Chloe is trapped under Lucias's watchful eye. He demands she bind herself to him, or remain cut off from the world forever. As she struggles to hang on to the hope of being with her family again, Chloe manages to find comfort in the most unlikely of places. Such is the stern motto of House Stark, the northernmost of the fiefdoms that owe allegiance to King Robert Baratheon in far-off King's Landing. There Eddard Stark of Winterfell rules in Robert's name. There his family dwells in peace and comfort: his proud wife, Catelyn; his sons Robb, Brandon, and Rickon; his daughters Sansa and Arya; and his bastard son, Jon Snow. Far to the north, behind the towering Wall, lie savage Wildings and worse, unnatural things relegated to myth during the centuries-long summer, but proving all too real and all too deadly in the turning of the season."-- Part of the critically acclaimed Little People, BIG DREAMS series, Zaha Hadid tells the inspiring true story of the visionary Iraqi-British architect.
