Vienna Travel Guide, Austria. The History, Information. The Living is Easy. Vienna had a heyday of empire and intrigue like few other cities in 1913 alone, Hitler, Freud, and Stalin all lived here. The city is still flecked with palaces, museums and opera houses, not to mention the world's oldest and grandest zoo, in the Palace of Schoenbrunn. All this architectural formalwear might make the city seem sterile in comparison to its edgier Danube neighbors, Prague or Budapest. And maybe it's not as cool as Berlin, as romantic as Paris, or as cosmopolitan as London but very few cities can combine a bit of each of these qualities as successfully as Vienna does, all while being one of the world's most livable cities. Austrians revel in the ease of living here, from their omnipresent cafes to their near-pristine lakes and rivers you can even swim in some parts of the Danube (try that in the Hudson, Thames, or Seine). Mix high and low culture. Vienna is not just a citadel of high art, classical music and fancy twee chocolates (yes, Mozartballs). It also gave the world the EDM/drum and bass godfathers Kruder & Dorfmeister. The only German-language number one hit in the U.S. (Falco's "Amadeus") was an Austrian creation. The city runs club nights for students at its historic City Hall and, for a while there, rock concerts in former gasworks (Gasometer). Flex, which is wedged between a U-Bahn tunnel and the Danube canal, is known as one of Europe's best nightclubs, and hands out both earplugs and sparkling water gratis. The city has brought the world Klimt's Kiss, but also the art of Hermann Nitsch, whose medium of choice is bodily fluids, and Manfred Deix, a merciless and puerile caricaturist. It hosts the exclusive Opera Ball, where the rich and famous congregate to waltz and honor the rich and famous. But equally sought-after is the Life Ball, Europe's largest charity event which "combines Viennese ball tradition with fancy-costume queer balls". And of course, the Eurovision song contest 2014 was won by Austrian contestant Conchita Wurst, a bearded drag queen. (The fact that a right-wing party tried to

protest the 2014 Life Ball poster-a celebrated David LaChapelle shot of a naked transsexual-was viewed as an embarrassment to progressive Austrians, who feared the fuss would make them look backward and bigoted to the rest of the world). A wondrous ancient land and a nation shaped by wars, conflict, and progress. Austria stands out amid its distinctly European heritage as a country that has had a myriad of forces conquering and leaving their mark on it. Yet through the long-drawn epic saga, the country remains a diverse and united place and stands strong as a notable contender in the annals of history. Among its historical significance are the facts that the sport of skiing was likely invented, there, and the country has the oldest zoo in the world. This book will detail the various conquests through Austria's history and how it helped form the social, cultural, and economic landscape of the country. What you'll discover in this fascinating book: Prehistoric Austria as old as civilization itself Changes in the land through the Copper, Bronze, and Iron Ages The arrival of the Romans and the spread of Christianity Inquisition and development of the country by various dynasties The Protestant Reformation period and its effects Continuation of colonization by various empires and alliances Development of Vienna as a center of music in Europe The effect of Napoleonic Wars on Austria And much more! Through the plethora of changes, Austria, today, stands as a multicultural society with German being the most widely spoken language, and pockets of other languages including Serbian, Turkish, and Croatian spoken as well. The country has one of the oldest flags in the world, few of the most prominent musicians have called it home, and it has the longest cave in the world at 42 kilometers. This book will present the amazing country of Austria to you in all its historic vibrancy and truly broaden your understanding. So, scroll up and click the "Buy now with 1-click" button to find out more! The DK Eyewitness Travel Guide: Austria is your indispensable guide to this beautiful part of the world. Let's go sight-seeing in Austria, where nature and civilization meet. Through this educational book, your child will learn so many things that only a visitor would know. This is an exciting book that covers geography, and a bit of culture and local traditions. Grab a copy of this book today! Presents a short history of Austria, Hungary, Czechoslovakia, and Yugoslavia from the Renaissance to the present followed by an A to Z dictionary of important people, a chronology, maps, and more. Innsbruck is the capital city

of the federal state of Tyrol in western Austria. It is located in the Inn Valley at the junction with the Wipptal. The art book consists of illustrations of the city, city center, namely, the main promenades, walkways, shopping areas, the important places to visit and many unique photos, which you would never see in a simple guide. First published in 1997, European Directories is a major resource guide for urban historians and historical geographers. It provides a detailed bibliography of all directories published and available in major libraries throughout Germany, Austria, Switzerland, Denmark and Scandinavia. In addition, the book provides an account of the evolution of town directories, as well as giving an analysis of directory reliability and coverage. Researchers will also find an extensive bibliography for each country of literature that has utilized directory information in historical studies. The second volume includes France and southern Europe. The whole provides the first European-wide resource for those undertaking urban historical studies. Austria has produced some of the world's finest composers, dazzled us with an imperial Baroque architecture, and led the way with groundbreaking psychoanalysis. It has taught us to waltz, defined what a real coffee house is, and given us one of Europe's most popular winter playgrounds. All this from one small nation, roughly the size of South Carolina. Historically the country was a land of transit along the Danube route, and the meeting of Germanic, Mediterranean, and Eastern European peoples helped to shape the Austrians of today. They have turned their heritage and culture to good advantage, developed new high-tech industries, established relationships with their former Communist neighbors as well as their EU partners, and have enjoyed a small economic miracle. Culture Smart! Austria describes the real people in the picture postcard, offering key insights into everyday Austrian life and equipping you to discover for yourself the many qualities of this lively people. The Federal Republic of Austria is a culturally rich European country with an impressive past that offers a memorable experience for the visitor. Vienna and Salzburg are Austria's most famous cities and Innsbruck stands out for its medieval appeal and as a reminder of ancient times. Austria has influenced European culture in many ways and was home to many artists and musicians including Mozart and Strauss.
